Important Notes to Using & Reviewing Your Results

- **Notes**
 - **Data Population**
This report is populated from the KK Ledger
 - **Items without a Budgeted Amount**
All Actuals will print to the report regardless of the corresponding Budget Account possessing a dollar amount or zero entry.
 - **Actuals Post & Pending**
Actuals are show both from approved and posted stated as well as a separated amount for those that are pending against the same account.
 - **Budgetary & Non-Budgetary Default**
By Default, this report only displays standard budget items. Both types of Projects are therefore filtered out of this report if left to the default selection.

Locate Report

1. From the Budget & Planning [Reporting Page](#), locate “FIN015 – Department Summary Report”
2. **Login** to IBM Cognos to run the report.

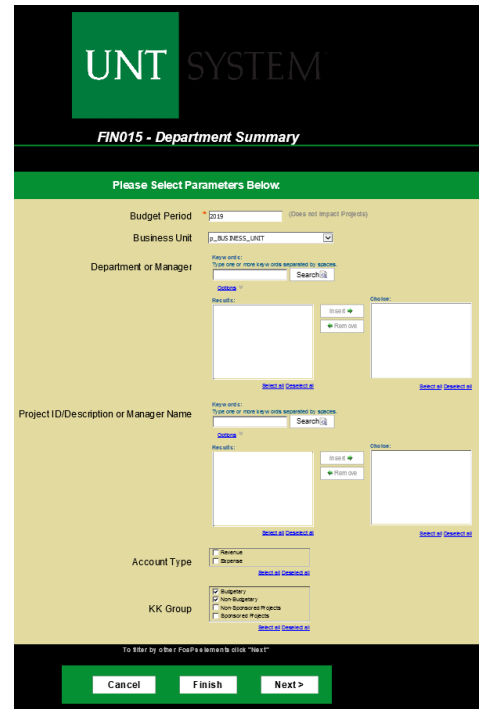

Report Setup- Prompt Pages

Report Setup - Prompt Pages

All initial **Landing Pages** for reports on the Cognos System will appear similar in format. You will have a set of filtering choices based on the source’s available data.

REPORT FOCUS FILTERS / PAGE 1

1. Select your parameter choices. (No parameters within this report are required).

<i>Budget Period</i>	The budget year automatically fills with the current operating year and you may override if you prefer by typing in the box.
<i>Business Unit</i>	Default will pull “All Units” or you may use the Dropdown to select one particular unit by which to filter the report.
<i>Department Manager</i>	You can Search by either the DeptID, Dept Descriptions or if you know the manager, you may type here and search. For further search features, click the Options Link to expand additional search methods. Your results appear in the left box. Highlight any or all results and click the Insert Button to include as your filter choice here. <i>*Notes: CTRL + Click to choose more than one. If you need to view several departments and have a numbered list, you can use the department selection on the Detailed Filters/Page 2 below.</i>
<i>Project ID...</i>	You can Search by either the Project ID, Project Descriptions or if you know the manager, you may type here and search. For further search features, click the Options Link to expand

additional search methods. Your results appear in the left box. **Highlight** any or all results and click the **Insert Button** to include as your filter choice here.

**Notes: CTRL + Click to choose more than one.*

If you need to view several departments and have a numbered list, you can use the department selection on the Detailed Filters/Page 2 below.

Account Type

Default **unchecked** will allow for both. You do not need to click “Select All” to do so. Otherwise, choose to **limit** the report results to Revenue or Expense by **checking** the appropriate boxes.

KK Group

Default for this report is set to **Budgetary** and **Non-Budgetary** as selected only. Otherwise, choose to **limit** it to Budget Group type by **checking** the appropriate boxes as needed to focus and limit viewing results.

- If you are satisfied with your choices and do not need to engage Detailed Filters, click the **Finish Button**. Otherwise, to run by other FoapS elements, click the **Next Button**.

Cognos Report Functionalities

LAYOUT OVERVIEW

- Report results are typically displayed in an interactive HTML on screen style.
- Based on your selections, if any, the report will only display results that match your initial filtering choices.
- Reports on screen may combine the Level Number result with the Description for that level in one single column. *(Report results exported to XLS will break these out, see the [Export XLS directions](#) below.)*
- If there is an error in your request or no results can be produced, you get a return message showing the parameters you chose that produced these results. *(See the [Error Results section](#) below for more information or to troubleshoot.)*
- Use the “Page Down” Link at the bottom left to see additional pages (if any).
- Use the “Bottom” Link to skip to the last page of **Applied Parameters** where you can review what your filtering choices were on the initial **Prompt Page** selections. Use the “Top” Link then to return to your first page.

IN REPORT FILTERING & CONTROLS

- You can clear any originally selected **Filters** by returning to the Prompt Pages from within the Report you are currently viewing (without starting over). To do so, **click on the “Run as”** button on the upper left hand of the toolbar on your screen.

Exporting Your Report Results

Exporting Your Report Results

In the upper left hand or right hand of the toolbar on your screen, you will see options to run report and view your results.

EMAIL REPORT DIRECTLY

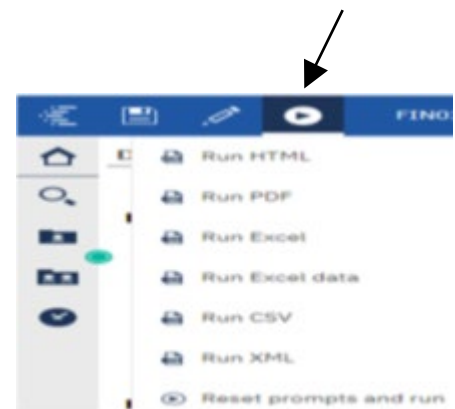

Click the **“Share”** symbol dropdown (next to the bell) on the upper right hand of the toolbar on your screen to select **“Email”**. Fill in the desired email address, any additional information, and your onscreen results will be emailed from within the Cognos program.

RUN REPORT AND DOWN LOAD OPTIONS

Click the **“Run as”** button (white circle) on the upper left hand toolbar of your screen to see selections for running or exporting your results:

- HTML
- PDF
- Excel
- Excel Data
- CSV
- XML
- Reset prompts and run

Error Results

Run Report Error

An example of the standard results message when Cognos cannot determine a match for your requested filters is:

*No data available for the parameters chosen, please review the parameters below:
Fund Cat: 876*

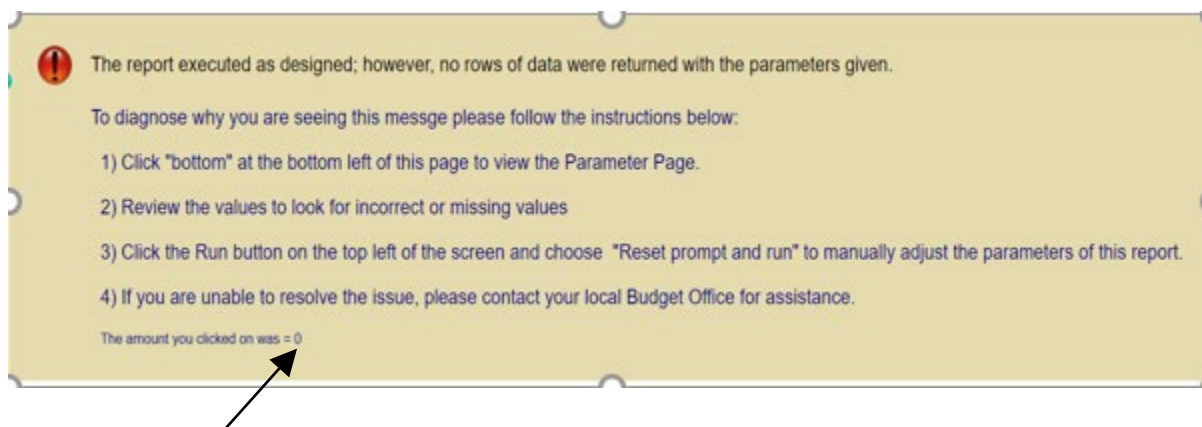

The selection you have made on the prompt page is listed automatically below the **“No Data”** message. Again, to re-run the report with a different selection, click the **“Run as”** button on the upper left toolbar on your screen.

Error Results

Drill-Through Message or Error

The message below will be displayed when a zero amount without supporting details is clicked on during a drill through. The same message will be displayed when a drill through has error. If that happens, the statement below, “The amount you clicked on was,” will match the amount clicked on the report.

The screenshot shows a yellow error message box with a red warning icon. The text inside the box reads: "The report executed as designed; however, no rows of data were returned with the parameters given." Below this, it says "To diagnose why you are seeing this message please follow the instructions below:" followed by a numbered list of four steps: 1) Click "bottom" at the bottom left of this page to view the Parameter Page. 2) Review the values to look for incorrect or missing values. 3) Click the Run button on the top left of the screen and choose "Reset prompt and run" to manually adjust the parameters of this report. 4) If you are unable to resolve the issue, please contact your local Budget Office for assistance. At the bottom of the box, it says "The amount you clicked on was = 0". A black arrow points from the bottom left of the box to the text "The amount you clicked on was = 0".

! The report executed as designed; however, no rows of data were returned with the parameters given.

To diagnose why you are seeing this message please follow the instructions below:

- 1) Click "bottom" at the bottom left of this page to view the Parameter Page.
- 2) Review the values to look for incorrect or missing values
- 3) Click the Run button on the top left of the screen and choose "Reset prompt and run" to manually adjust the parameters of this report.
- 4) If you are unable to resolve the issue, please contact your local Budget Office for assistance.
