

Navigation

Shopping is Easy in ePro!

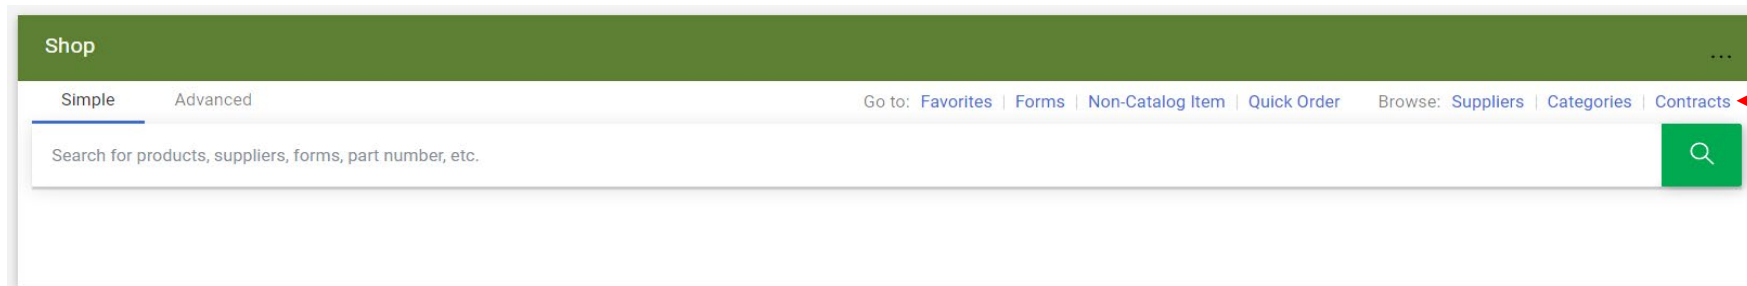

Navigating around ePro

Basic Search

You can use the search box at the top of your homepage to search for relevant things throughout the system.

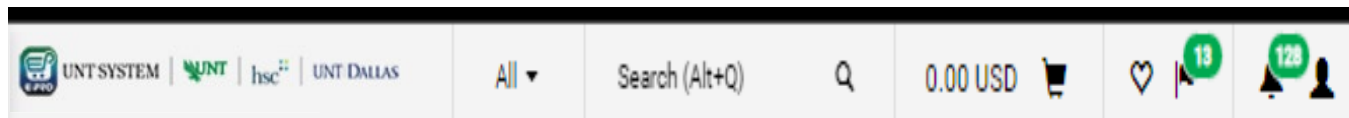

Quick links to mostly frequented pages are setup. You can also browse by different options.

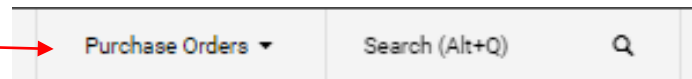

Global Search

You can use the Search (Alt+Q) at the top of your homepage for a robust search across ePro for anything.

You can also filter the search down by selecting from the dropdown

You should use the Advanced Search to focus and limit the results using filters and sort options
