RFQ769-24-988AW
IDIQ – Building Envelope Commissioning (Cx) and Roofing
System Installation, Observation, Inspection and
Reporting Services (RSIOIRS)

This document is being issued to answer questions that have been submitted as follows:

1. May respondents to UNTS' RFQ for IDIQ Building Envelope Commissioning (Cx) and RSIOIRS apply for either Commissioning (Cx) or RSIOIRS? Or is UNTS looking for a firm which can provide both the Commissioning (Cx) and the Roofing System Installation, Observation, Inspection and Reporting Services (RSIOIRS)?

ANSWER: The Owner is requesting the submission of Qualifications for IDIQ Building Envelope Commissioning (Cx) and RSIOIRS Services.

It is best practice that the firm identify which services the organization can provide direct (self-perform) and which services a sub-consultant would be utilized.

While sub-consultant resumes are not a requirement the firm may submit a list of proposed sub-consultants within the response.
