Report Results

REPORT FEATURES

- Results are grouped by Department, indicated by the Department Header. (Includes Business Unit and Budget Year(s) where applicable.)
- Requisitions appear first in the reporting structure grouping, followed by Purchase Orders associated, and Vouchers paid. Each table is then grouped by Line Number, Account, and Description.
- Negative amounts will be shown in red.

DRILL-THROUGH OPTIONS

- Clicking on any of the underlined ID’s will drill-through to their respective detail reports. This is opened within the original report (FIN004), so click on Back to return to FIN004 – ePro Transaction Detail.
- Requisitions will drill-through to “FIN005 – Requisitions” report.
- Purchase Orders will drill-through to “FIN006 – Purchase Orders” report.
- Vouchers will drill-through to “FIN007 – Vouchers” report.
Report Functionalities

**Layout Overview**

- Report results are typically displayed in an interactive HTML on screen style.
- Based on your selections, if any, the report will only display results that match your initial filtering choices.
- Use the arrows to navigate between pages (if any).
- Use the double forward arrow to skip to the last page of Applied Parameters where you can review what your filtering choices were on the initial Prompt Page selections. Use the double back arrow to return to the first report page.
- If there is an error in your request or no results can be produced, you get a return message showing the parameters you chose that produced these results. *(See the Error Results section below for more information or to troubleshoot.)*
