Report Results

REPORT FEATURES

- Results are grouped by Departments. Each Department is structured in the following order:
  1. Requisition > Purchase Order > Voucher
  2. Purchase Orders without Requisition
  3. Vouchers without Purchase Orders indicated to the right of the Department line.
  (Note: Not all departments show each section)
- The Teal Bars indicate column headings and appear on each section.
- The Light Green Bars indicate the first section: Requisition > Purchase Order > Voucher.
- The Dark Brown Bars indicate the second section: Purchase Orders without Requisitions.
- The White Bars indicate the third section: Vouchers without Purchase Orders.
  (Only where applicable: this field will only show when the Report Result Prompt is set to “Show All Records”)
- The Light Blue Bar at the end of the reporting structure groupings indicates an Overall Total section, reporting overall totals of Pre-Encumbrance and Encumbrance for the department(s) included in the report.
  (The Actuals column on “Overall - Total” will show when the Report Result Prompt is set to “Show All Records”)

DRILL-THROUGH OPTIONS

- Clicking on any blue underlined dollar amounts within the Pre-Encumbrance column will drill directly through to the “FIN003 - Transaction Details (Pre-Encumbrances)” Reporting View to view the detailed transactional line that makes up the chosen amount.
• Clicking on any blue underlined dollar amounts within the **Encumbrance column** will drill directly through to the “**FIN003 - Transaction Details (Encumbrances)**” Reporting View to view the detailed transactional line that makes up the chosen amount.

• Clicking on any blue underlined dollar amounts within the **Actual column** will drill directly through to the “**FIN003 - Transaction Details (Actuals)**” Reporting View to view the detailed transactional line that makes up the chosen amount.

**LAYOUT OVERVIEW**

• Report results are typically displayed in an interactive HTML on screen style.
• Based on your selections, if any, the report will only display results that match your initial filtering choices.
• Reports on screen may combine the Level Number result with the Description for that level in one single column. *(Report results exported to XLS will break these out, see Run Report and Download Options section below.)*
• If there is an error in your request or no results can be produced, you get a return message showing the parameters you chose that produced these results. *(See the Error Results section below for more information or to troubleshoot.)*
• Use the “Page Down” Link at the bottom left of your screen to see additional pages (if any).
• Use the “Bottom” Link to skip to the last page of Applied Parameters where you can review what your filtering choices were on the initial Prompt Page selections. Use the “Top” Link to return to your first page.
IN REPORT FILTERING & CONTROLS

- You can clear any originally selected Filters by returning to the Prompt Pages from within the Report you are currently viewing (without starting over). To do so, click on the “Run as” button on the upper left hand of the toolbar on your screen, and then click on the Reset prompts and run option.

Exporting Your Report Results

Exporting Your Report Results

Error Results

Run Report Error

The following is an example of the standard results message when Cognos cannot determine a match for your requested filters:

No data available for the parameters chosen, please review the parameters below:
Fund Cat: 876

The selection you have made on the prompt page is listed automatically below the “No Data” message. Again, to re-run the report with a different selection, click on the “Run as” button on the upper left hand of the toolbar on your screen, and then click on the Reset prompts and run option (see note below for further instruction).

*Please refer to Page 7 of this guide, under the section titled In Report Filtering and Controls for visual aids*

Drill-Through Message or Error

The message below will be displayed when a zero amount without supporting details is clicked on during a drill through. The same message will be displayed when a drill through has error. If that happens, the statement below, “The amount you clicked on was,” will match the amount clicked on the report.

The report executed as designed, however, no rows of data were returned with the parameters given.
To diagnose why you are seeing this message please follow the instructions below:
1) Click “bottom” at the bottom left of this page to view the Parameter Page.
2) Review the values to look for incorrect or missing values
3) Click the Run button on the top left of the screen and choose “Reset prompt and run” to manually adjust the parameters of this report.
4) If you are unable to resolve the issue, please contact your local Budget Office for assistance.

The amount you clicked on was = 0
