Important Notes to Using & Reviewing Your Results

- Notes
  - **Data Population**
    This report is populated with data from the PS_Ledger_KK.
  
  - **Items without a Budgeted Amount**
    All Actuals will print to the report regardless of the corresponding Budget Account possessing a dollar amount or zero entry.
  
  - **Actuals**
    Actuals are from approved and posted transactions.
Locate Report

1. From the Budget & Planning Reporting Page, locate “FIN001 - Budget Overview Report”.

2. Login to IBM Cognos to run the report.

Report Setup - Prompt Pages

Report Setup - Prompt Pages

All initial Landing Pages for reports on the Cognos System will appear similar in format. You will have a set of filtering choices based on the source’s available data.

REPORT FOCUS FILTERS / PAGE 1

1. Select your parameter choices. 
   (No parameters within this report are required).

<table>
<thead>
<tr>
<th>Parameter</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Budget Period</td>
<td>The budget year automatically fills with the current operating year and you may override if you prefer by typing in the box.</td>
</tr>
<tr>
<td>Business Unit</td>
<td>Default will pull “All Units” or you may use the Dropdown to select one particular unit by which to filter the report.</td>
</tr>
<tr>
<td>Department Manager</td>
<td>You can Search by either the DeptID, Dept Descriptions or if you know the manager, you may type here and search. For further search features, click the Options Link to expand additional search methods. Your results appear in the left box. Highlight any or all results and click the Insert Button to include as your filter choice here. *Notes: CTRL + Click to choose more than one. If you need to view several departments and have a numbered list, you can use the department selection on the Detailed Filters/Page 2 below.</td>
</tr>
<tr>
<td>Department Tree</td>
<td>You can select a department tree option that meets your needs.</td>
</tr>
<tr>
<td>Project ID</td>
<td>You can Search by either the Project ID, Project Descriptions or if you know the manager, you may type here and search.</td>
</tr>
</tbody>
</table>
For further search features, click the Options Link to expand additional search methods. Your results appear in the left box. Highlight any or all results and click the Insert Button to include as your filter choice here.

*Notes: CTRL + Click to choose more than one.

If you need to view several departments and have a numbered list, you can use the department selection on the Detailed Filters/Page 2 below.

| Account Type | Default unchecked will allow for both. You do not need to click “Select All” to do so. Otherwise, choose to limit the report results to Revenue or Expense by checking the appropriate boxes. |
| KK Group | Default unchecked will allow for all. You do not need to click “Select All” to do so. Otherwise, choose to limit it to Budget Group type by checking the appropriate boxes to focus and limit viewing results. |
| Thru Accounting Period | This will allow data retrieval thru a particular period entered |
| Ledger | If you know a particular Ledger you would like to filter by, enter here. |

2. If you are satisfied with your choices and do not need to engage Detailed Filters, click the Finish Button. Otherwise, to run by other FoaPs elements, click the Next Button.

DETAILED FILTERS – CHARTSTRING INCLUSIONS / PAGE 2

3. Select your parameter choices.

Remember that prompts filter your data. By entering values into the prompts you narrow the result sets. Start off by casting a wide net by only using one prompt. You can always rerun the report with additional prompt to narrow the results as needed.

| Fund Category | You can either enter a Fund Cat within this box or paste. Several numbers may be entered here but each one must be on its own line to filter correctly. When you are ready, click the Insert Button. All items you have typed/pasted in to the box will move to the Choices Box. |
| Fund | If you know a particular Fund you would like to filter by, enter here. |
**Detailed Filters – Chartstring Exclusions / Page 3**

5. Select your parameter choices.

*Remember that prompts filter your data. By entering values into the prompts you narrow the result sets. Start off by casting a wide net by only using one prompt. You can always rerun the report with additional prompt to narrow the results as needed.*
6. When you are satisfied with your choices, click the Finish Button to run the report. *If you need to make changes or want to check your filters, you can click the Back Button at any time to review and click the Finish Button from any point without having to re-enter your information.

Report Results

Report Features

- Results are grouped by Departments and indicated by the Underlined Title Bar.
- Fiscal Budget items appear first in the reporting structure groupings. Departmental contributions to particular Projects appear next.
- Items are sectioned by Fund Cat – Fund combinations. (Where applicable, Purpose and/or Site as well.)
- Budget Accounts will duplicate IF the budget for that account is spread across more than one Function.
- The Light Green Bars indicate groupings of lower level hierarchy Budget Account Trees. The Dark Green Bars indicate the rollup level hierarchy Budget Account Trees.

Drill-Through Options

- Clicking on the Department ID itself in the Underlined Title Bar (see above) will drill directly through to the “FIN015 - Department Summary Report”.
  - *note 1: See the Department Summary Guide for more information on this report.
  - *note 2: Drilling to a Department Detail here will view only Department Details without Projects included!
• **Clicking** on any of the underlined dollar amounts will drill-through to the “FIN003 – Transaction Detail Report” to view the detailed transactional line that makes up the chosen amount.

---

**Cognos Report Functionalities**

**Layout Overview**

- Report results are typically displayed in an interactive HTML on screen style.

- Based on your selections, if any, the report will only display results that match your initial filtering choices.

- Reports on screen may combine the Level Number result with the Description for that level in one single column. *(Report results exported to XLS will break these out, see Run Report and Down Load section below.)*

- If there is an error in your request or no results can be produced, you get a return message showing the parameters you chose that produced these results. *(See the Error Results section below for more information or to troubleshoot.)*

- Use the “Page Down” Link at the bottom left to see additional pages (if any).

- Use the “Bottom” Link to skip to the last page of Applied Parameters where you can review what your filtering choices were on the initial Prompt Page selections. Use the “Top” Link then to return to your first page.

**In Report Filtering & Controls**

- You can clear any originally selected Filters by returning to the Prompt Pages from within the Report you are currently viewing (without starting over). To do so, click on the “Run as” button on the upper left hand of the toolbar on your screen.
Exporting Your Report Results

Exporting Your Report Results
In the upper left hand or right hand of the toolbar on your screen, you will see options to run report and view your results.

EMAIL REPORT DIRECTLY
Click the “Share” symbol dropdown (next to the bell) on the upper right hand of the toolbar on your screen to select “Email”. Fill in the desired email address, any additional information, and your onscreen results will be emailed from within the Cognos program.

RUN REPORT AND DOWNLOAD OPTIONS
Click the “Run as” button (white circle) on the upper left hand of the toolbar of your screen to see selections for running or exporting your results:

- HTML
- PDF
- Excel
- Excel Data
- CSV
- XML
- Reset prompts and run

Error Results

Run Report Error
An example of the standard results message when Cognos cannot determine a match for your requested filters is:

No data available for the parameters chosen, please review the parameters below:
Fund Cat: 876

The selection you have made on the prompt page is listed automatically below the “No Data” message. Again, to re-run the report with a different selection, click the “Run as” button on the upper left hand of the toolbar on your screen.
Error Results

Drill-Through Message or Error

The message below will be displayed when a zero amount without supporting details is clicked on during a drill through. The same message will be displayed when a drill through has error. If that happens, the statement below, “The amount you clicked on was,” will match the amount clicked on the report.

The report executed as designed; however, no rows of data were returned with the parameters given.

To diagnose why you are seeing this message please follow the instructions below:

1) Click "bottom" at the bottom left of this page to view the Parameter Page.
2) Review the values to look for incorrect or missing values.
3) Click the Run button on the top left of the screen and choose "Reset prompt and run" to manually adjust the parameters of this report.
4) If you are unable to resolve the issue, please contact your local Budget Office for assistance.

The amount you clicked on was 0.
