REPORT FEATURES

1. In the **Detailed View** the Transaction Details will list out with the corresponding Chartstring Descriptions and Employee Email where applicable.
2. The Viewing Dropdowns for **Sort Order** and **Show/Hide Zero Values** at the top of the report will automatically re-sort the report when changed.

The screenshot shows a detailed report titled "Transaction Details with Associated Revenue (Actuals)". At the top left, there is a search bar with the UNT SYSTEM logo and a dropdown menu for "View Details". Below this is a large table with columns including Vendor, Vendor Name, Department, Account, and Revenue. An arrow points to the dropdown menus for "Sort Order" and "Show/Hide Zero Values" at the top of the report.

DRILL-THROUGH OPTIONS

Cognos Report Functionalities

LAYOUT OVERVIEW

- Report results are typically displayed in an interactive HTML on screen style.
- Based on your selections, if any, the report will only display results that match your initial filtering choices.
- Reports on screen may combine the Level Number result with the Description for that level in one single column. *(Report results exported to XLS will break these out, see [Run Report and Down Load section](#) below.)*
- If there is an error in your request or no results can be produced, you get a return message showing the parameters you chose that produced these results. *(See the [Error Results section](#) below for more information or to troubleshoot.)*
- Use the **“Page Down” Link** at the bottom left to see additional pages (if any).
- Use the **“Bottom” Link** to skip to the last page of **Applied Parameters** where you can review what your filtering choices were on the initial **Prompt Page** selections. Use the **“Top” Link** then to return to your first page.

Error Results

Run Report Error

The following is an example of the standard results message when Cognos cannot determine a match for your requested filters:

*No data available for the parameters chosen, please review the parameters below:
Fund Cat: 876*

The selection you have made on the prompt page is listed automatically below the “No Data” message. Again, to re-run the report with a different selection, **click** on the “Run as” button on the upper left hand of the toolbar on your screen, and then **click** on the **Reset prompts and run** option (see note below for further instruction).

Please refer to Page 7 of this guide, under the section titled [In Report Filtering and Controls](#) for visual aids

Drill-Through Message or Error

The message below will be displayed when a zero amount without supporting details is clicked on during a drill through. The same message will be displayed when a drill through has error. If that happens, the statement below, **“The amount you clicked on was,”** will match the amount clicked on the report.

The report executed as designed; however, no rows of data were returned with the parameters given.

To diagnose why you are seeing this message please follow the instructions below:

- 1) Click "bottom" at the bottom left of this page to view the Parameter Page.
- 2) Review the values to look for incorrect or missing values
- 3) Click the Run button on the top left of the screen and choose "Reset prompt and run" to manually adjust the parameters of this report.
- 4) If you are unable to resolve the issue, please contact your local Budget Office for assistance.

The amount you clicked on was = 0 ←
