Important Notes to Using & Reviewing Your Results

- Notes
  
  o Data Population
  This report is populated with data from the Budget and Finance for Cognos 11 package.

  o Items without a Budgeted Amount
  All Actuals will print to the report regardless of the corresponding Budget Account possessing a dollar amount or zero entry.

  o Actuals
  Actuals are from approved and posted transactions.
### Locate Report

2. **Login** to IBM Cognos to run the report.

### Report Setup - Prompt Pages

#### Report Setup - Prompt Pages

All initial **Landing Pages** for reports on the Cognos System will appear similar in format. You will have a set of filtering choices based on the source’s available data.

1. Select your parameter choices.
   (Select Report to Run parameter within this report is required).

<table>
<thead>
<tr>
<th>Parameter</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Select Report to Run</strong></td>
<td>You may select only one report to run</td>
</tr>
<tr>
<td><strong>Business Unit</strong></td>
<td>Default will pull “All Business Units” or you may select one or multiple units by which to filter the report. You can click <strong>Select All</strong> to select all choices.</td>
</tr>
<tr>
<td><strong>Fiscal Year</strong></td>
<td>The budget year automatically fills with the current operating year and you may override if you prefer by <strong>typing</strong> in the box.</td>
</tr>
<tr>
<td><strong>Quarter</strong></td>
<td>This will allow data retrieval thru a particular quarter entered. You may select one or multiple quarters by which to filter the report. You can click <strong>Select All</strong> to select all choices.</td>
</tr>
<tr>
<td><strong>Accounting Period</strong></td>
<td>This will allow data retrieval thru a particular period entered. You may select one or multiple account periods by which to filter the report. You can click <strong>Select All</strong> to select all choices.</td>
</tr>
<tr>
<td><strong>Exclude Fund</strong></td>
<td>If you know a particular Fund you would like to filter out, enter here.</td>
</tr>
</tbody>
</table>

2. If you are satisfied with your choices, click the **Finish Button**.
## Report Results

**REPORT FEATURES**

- The top left of the report will show the report selected, Business Unit, Fiscal Year, and Period(s)
- The left side is organized by **Level A/B/C/D categorization** and the columns are organized by **Business Unit** which then together give results showing the monetary sums of all transactions regarding those B-levels and those functions
- The Totals on the bottom and right are for the totals of the **Business Units** and **A/B/C/D-Levels**

### DRILL-THROUGH OPTIONS

- There are drill-throughs on both the **non-total rows** and the **total rows**
- When clicking one of the non-total rows, it will drill-through to **AFR012 – GL Transaction Details** and show all transactions relevant to the number displayed in the cell you clicked
- When clicked one of the total rows, it will drill-through to **AFR012 – GL Transaction Details** and show all transactions relevant to the numbers displayed in the cell you clicked
Cognos Report Functionalities

**Layout Overview**

- Report results are typically displayed in an interactive HTML on screen style.

- Based on your selections, if any, the report will only display results that match your initial filtering choices.

- Reports on screen may combine the Level Number result with the Description for that level in one single column. *(Report results exported to XLS will break these out, see Run Report and Download section below.)*

- If there is an error in your request or no results can be produced, you get a return message showing the parameters you chose that produced these results. *(See the Error Results section below for more information or to troubleshoot.)*

- Use the **“Page Down” Link** at the bottom left to see additional pages (if any).

- Use the **“Bottom” Link** to skip to the last page of Applied Parameters where you can review what your filtering choices were on the initial Prompt Page selections. Use the **“Top” Link** then to return to your first page.

### Exporting Your Report Results

**Exporting Your Report Results**

In the upper left hand or right hand of the toolbar on your screen, you will see options to run report and view your results.

**Email Report Directly**

Click the **“Share” symbol dropdown** (next to the bell) on the upper right hand of the toolbar on your screen to select **“Email”**. Fill in the desired email address, any additional information, and your onscreen results will be emailed from within the Cognos program.
RUN REPORT AND DOWNLOAD OPTIONS

Click on the “Run as” button (white circle) on the upper left hand of the toolbar of your screen to see selections for running or exporting your results:

- HTML
- PDF
- Excel
- Excel Data
- CSV
- XML

Error Results

Run Report Error

The following is an example of the standard results message when Cognos cannot determine a match for your requested filters:

No data available for the parameters chosen, please review the parameters below:
Fund Cat: 876

The selection you have made on the prompt page is listed automatically below the “No Data” message. Again, to re-run the report with a different selection, click on the “Run as” button on the upper left hand of the toolbar on your screen, and then click on the Reset prompts and run option (see note below for further instruction).

Drill-Through Message or Error

The message below will be displayed when a zero amount without supporting details is clicked on during a drill through. The same message will be displayed when a drill through has error. If that happens, the statement below, “The amount you clicked on was,” will match the amount clicked on the report.

The report executed as designed; however, no rows of data were returned with the parameters given.

To diagnose why you are seeing this message please follow the instructions below:
1) Click “bottom” at the bottom left of this page to view the Parameter Page.
2) Review the values to look for incorrect or missing values.
3) Click the Run button on the top left of the screen and choose “Reset prompt and run” to manually adjust the parameters of this report.
4) If you are unable to resolve the issue, please contact your local Budget Office for assistance.

The amount you clicked on was 0.
