2. **Login** to IBM Cognos to run the report.

Report Setup- Prompt Pages

Report Setup - Prompt Pages

All initial **Landing Pages** for reports on the Cognos System will appear similar in format. You will have a set of filtering choices based on the source’s available data.

REPORT FOCUS FILTERS / PAGE 1

1. Select your parameter choices.
(Required parameters are marked with an asterisk).

<i>*Budget Period</i>	The budget year automatically fills with the current operating year and you may override if you prefer by typing in the box.
<i>*Thru Accounting Period</i>	This will allow data retrieval thru a particular period entered.
<i>Accounting Period</i>	You may select one or multiple accounting periods by which to filter the report. <i>*Note: If you intend on using the drill though capabilities built into the report, please use the Accounting Period check box prompt in addition to the Thru Accounting Period.</i>
<i>Department Level B</i>	Default is set to Provost (B11000).
<i>*Department Level C</i>	The Department Level C prompt is limited to departments under B11000. The report allows one Department Level C per report run, by design.
<i>Account Type</i>	Default unchecked will allow for both. You do not need to click “Select All” to do so. Otherwise, choose to limit the report results to Revenue or Expense by checking the appropriate boxes.

<i>KK Group</i>	Default limits to “Budgetary” Budget Group type to focus and limit viewing results. Unnecessary to modify this prompt.
<i>KK Rollup</i>	KK Rollup, or KK Account Rollup, is used for the E&G and Designated Operating pages. Unnecessary to modify this prompt. <i>*Notes: C5010, C5014, C5030, C5050, C5070, C5251, C5331, C5460, C5701, C5780, C7001, C7000, C7100, C7120, C7140, C7150, C7170</i>

LAYOUT OVERVIEW

- Report results are typically displayed in an interactive HTML on screen style.
- Based on your selections, if any, the report will only display results that match your initial filtering choices.
- If there is an error in your request or no results can be produced, you get a return message showing the parameters you chose that produced these results. (See the [Error Results section](#) below for more information or to troubleshoot.)
- Use the “Page Down” Link at the bottom left to see additional pages (if any).
- Use the “Bottom” Link to skip to the last page of Applied Parameters where you can review what your filtering choices were on the initial Prompt Page selections. Use the “Top” Link then to return to your first page.

Error Results

Error Results

The following is an example of the standard results message when Cognos cannot determine a match for your requested filters:

*No data available for the parameters chosen, please review the parameters below:
Fund Cat: 876*

The selection you have made on the prompt page is listed automatically below the “No Data” message. Again, to re-run the report with a different selection, click on the “Run as” button on the upper left hand of the toolbar on your screen, and then click on the **Reset prompts and run** option (see note below for further instruction).

DRILL-THROUGH MESSAGE OR ERROR

The message below will be displayed when a zero amount without supporting details is clicked on during a drill through. The same message will be displayed when a drill through has error. If that happens, the statement below, **“The amount you clicked on was,”** will match the amount clicked on the report.

 The report executed as designed; however, no rows of data were returned with the parameters given.

To diagnose why you are seeing this message please follow the instructions below:

- 1) Click "bottom" at the bottom left of this page to view the Parameter Page.
- 2) Review the values to look for incorrect or missing values
- 3) Click the Run button on the top left of the screen and choose "Reset prompt and run" to manually adjust the parameters of this report.
- 4) If you are unable to resolve the issue, please contact your local Budget Office for assistance.

The amount you clicked on was = 0 ←
