Project: Everett 3rd floor Sewer Line Replacement
Purchasing Cooperative: Omnia
Cooperative Contract: R150501-TX-19682
Effective Date: Upon PO Dispatch
Substantial Completion: May 1, 2020
Contract Value: \$98,546.83
Bond Amount: \$600.00

Contract Documents include:

- This Agreement including the Statement of Work and all exhibits/attachments listed or referenced;
 - UNT System Uniform General Conditions for Construction and Design Contracts ("UGC");
 - All Change Orders issued after the Effective Date of this Agreement;
 - Drawings and Specifications related to the Project;
 - The HUB subcontracting plan, as amended and approved by Owner; and
 - Purchase Order Terms and Conditions
1. Work. The Statement of Work attached hereto describes the materials, supplies, equipment, and labor (collectively "Work") in sufficient detail to determine quantity, quality, and time for performance of the Work to complete the Project. Contractor shall furnish all Work as necessary and in sufficient quantities to facilitate the proper and expeditious execution of the Work in accordance with the Contract Documents and to complete the Project in a timely manner.
 2. Pricing. Pricing will be in accordance with the Purchasing Cooperative Contract. The Pricing is hereby incorporated by reference.
 3. Commencement of Work. Owner shall provide a Notice of Project Selection. Contractor shall have ten (10) days to provide all required insurance and bonds. Upon receipt, review, and approval of the insurance and bonds, Owner will issue its Purchase Order, which will act as Owner's Notice to Proceed (effective upon issuance unless a later date is specified by Owner) and will allow the site work to commence. No site work shall commence until the proper bonds and insurance are in place and Owner has issued its Purchase Order.
 4. Completion of Work. Contractor shall complete the Work no later than the date of Substantial Completion. Only fully executed Change Orders may extend the Substantial Completion date. Issuance of the Substantial Completion Certificate and Final Completion Certificate will be in accordance with the UGC.
 5. Owner's Representative. Owner hereby expressly reserves the right from time to time to designate by notice to Contractor a representative(s) to act partially or wholly for Owner in connection with the performance of Owner's obligations. Contractor shall act only upon instructions from the designated representative(s) unless otherwise specifically notified to the contrary.

6. Contractor's Responsibilities.

- a. Contractor shall be responsible for the supervision and coordination of the Work, including the construction means, methods, techniques, sequences, and procedures utilized, unless the Contract Documents specify other instructions. In such case, Contractor shall not be liable to Owner for damages resulting from compliance with such instructions unless Contractor recognized and failed to timely report to Owner any error, inconsistency, omission, or unsafe practice that it discovered in the specified construction means, methods, techniques, sequences, or procedures.
- b. Prior to commencing the Work, Contractor shall examine and compare the Drawings and Specifications with Contract Documents furnished by Owner, relevant field measurements made by Contractor, and any visible conditions at the site affecting the Work. Contractor acknowledges that it has visited or has had the opportunity to visit the site to visually inspect the general and local conditions, which could affect the Work.
 - i. Should Contractor discover any discrepancies, errors, omissions, or inconsistencies in the Contract Documents, Contractor shall promptly report them to Owner. It is recognized, however, that Contractor is not acting in the capacity of a licensed design professional, and that Contractor's examination is to facilitate construction and does not create an affirmative responsibility to detect discrepancies, errors, omissions, or inconsistencies or to ascertain compliance with applicable laws and regulations, including building codes. Following receipt of written notice from Contractor of defects, Owner shall promptly inform Contractor what action, if any, Contractor shall take with regard to the defects.
 - ii. Contractor shall have no liability for discrepancies, errors, omissions, or inconsistencies discovered under this section unless Contractor fails to promptly report a discovered or apparent discrepancy, error, omission, or inconsistency to Owner. This does not relieve Contractor of responsibility for its own discrepancies, errors, inconsistencies, or omissions.
- c. Contractor shall provide competent supervision for the performance of the Work. Before commencing the Work, Contractor shall notify Owner in writing of the name and qualifications of its proposed superintendent(s) and project manager so Owner may review the individual's qualifications. If, for reasonable cause, Owner refuses to approve the individual, or withdraws its approval after giving it, Contractor shall name a different superintendent or project manager for Owner's review. Any disapproved superintendent shall not perform in that capacity thereafter at the site. Contractor's superintendent(s) and project manager shall possess full authority to receive instructions from Owner and to act on those instructions. If Contractor changes its superintendent(s), project manager, or authority for those individuals, Contractor shall immediately notify Owner in writing.
- d. Contractor shall have overall responsibility for safety precautions and programs in the performance of the Work. Such obligation does not relieve Subcontractors of their responsibility for the safety of persons or property in the performance of their work or for compliance with applicable laws and regulations.
- e. Contractor shall regularly remove debris and waste materials at the site resulting from the Work. Prior to discontinuing Work in an area, Contractor shall clean the area and remove all rubbish and any construction equipment, tools, machinery, waste, and surplus materials. Contractor shall minimize and confine dust and debris resulting from construction activities. At the completion of the Work, Contractor shall remove from the site all construction equipment, tools, surplus materials, waste materials, and debris.
- f. Contractor shall:
 - i. proceed with the Work in a manner that does not hinder, delay, or interfere with the work of Owner or others or cause the work of Owner or others to become defective;
 - ii. afford Owner or others reasonable access for introduction and storage of their materials and equipment and performance of their activities; and

- iii. coordinate Contractor's Work with the work of Owner and others. Contractor shall facilitate the access of Owner, Design Professional, and others to Work in progress.
- g. Unless otherwise provided in the Contract Documents, if the Work includes installation of materials or equipment furnished by Owner or others, it shall be the responsibility of Contractor to examine the items so provided and thereupon handle, store, and install the items with such skill as to provide a satisfactory and proper installation. Loss or damage due to acts or omissions of Contractor shall be the responsibility of Contractor and may be deducted from any amounts due or to become due Contractor. Any defects discovered in such materials or equipment shall be reported at once to Owner. Following receipt of written notice from Contractor of defects, Owner shall promptly inform Contractor what action, if any, Contractor shall take with regard to the defects.
- h. Contractor shall comply with all applicable laws and regulations at its own costs. Contractor shall be liable to Owner for all loss, cost, or expense attributable to any acts or omissions by Contractor, its employees, subcontractors, and agents for failure to comply with applicable laws and regulations, including fines, penalties, or corrective measures.
- 7. **Subcontracts.** Subcontractors shall be qualified and experienced in the type of Work they will be performing. Owner shall have the right to reject any subcontractor, but such right shall not relieve the responsibility of the Contractor for Contractor's Work and the Work of the subcontractors. Contractor expressly assumes such responsibility and liability. Contractor shall enforce safety procedures, strict discipline, and good order among persons performing the Work.
- 8. **Payment.** Contractor shall submit an invoice to Owner with sufficient documentation, as determined by Owner, to substantiate the Work complete at the time of billing. Owner shall render payment in accordance with the UGC. Owner will make progress payments based on the UGC and Applications for Payment submitted by Contractor.
- 9. **Warranty.** Contractor warrants that all materials and equipment shall be new unless otherwise specified, of good quality, in conformance with the Contract Documents, and free from defective workmanship and materials. Contractor shall furnish satisfactory evidence of the quality and type of materials and equipment furnished. Contractor further warrants that the Work shall be free from material defects not intrinsic in the design or materials required in the Contract Documents. Contractor's warranty shall commence on the Date of Substantial Completion of the Work.
 - a. Contractor shall obtain from its Subcontractors and Material Suppliers any special or extended warranties required by the Contract Documents. Contractor's liability for such warranties shall be limited to a one-year period. After that period, Contractor shall provide reasonable assistance to Owner in enforcing the obligations of Subcontractors or Material Suppliers for such extended warranties.
 - b. If Contractor fails to correct Defective Work within a reasonable time after receipt of written notice from Owner prior to final payment, Owner may correct it in accordance with Owner's right to carry out the Work. In such case, an appropriate Change Order shall be issued deducting the cost of correcting the Defective Work from payments then or thereafter due Contractor. If payments then or thereafter due Contractor are not sufficient to cover such amounts, Contractor shall pay the difference to Owner.
 - c. If Contractor's correction or removal of Defective Work causes damage to or destroys other completed or partially completed Work or existing buildings, Contractor shall be responsible for the cost of correcting the destroyed or damaged property.
- 10. **INDEMNIFICATION.** CONTRACTOR COVENANTS AND AGREES TO FULLY INDEMNIFY AND HOLD HARMLESS OWNER, AND ITS COMPONENT INSTITUTIONS, REGENTS, ELECTED AND APPOINTED OFFICIALS, DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, REPRESENTATIVES, AND VOLUNTEERS, INDIVIDUALLY OR COLLECTIVELY, FROM AND AGAINST ANY AND ALL COSTS, CLAIMS, LIENS, DAMAGES, LOSSES, EXPENSES, FEES, FINES, PENALTIES, PROCEEDINGS, ACTIONS, DEMANDS, CAUSES OF ACTION, LIABILITY, AND SUITS OF ANY KIND AND NATURE, INCLUDING BUT NOT LIMITED TO, PERSONAL OR

BODILY INJURY, DEATH, OR PROPERTY DAMAGE, MADE UPON OWNER DIRECTLY OR INDIRECTLY ARISING OUT OF, RESULTING FROM, OR RELATED TO CONTRACTOR'S ACTIVITIES UNDER THE CONTRACT, INCLUDING ANY ACTS OR OMISSIONS OF CONTRACTOR, OR ANY DIRECTOR, OFFICER, EMPLOYEE, AGENT, REPRESENTATIVE, CONSULTANT, OR SUBCONTRACTOR OF CONTRACTOR, AND THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, AND REPRESENTATIVES WHILE IN THE EXERCISE OF PERFORMANCE OF THE RIGHTS OR DUTIES UNDER THE CONTRACT. THE INDEMNITY PROVIDED FOR IN THIS PARAGRAPH DOES NOT APPLY TO ANY LIABILITY RESULTING FROM THE NEGLIGENCE OF OWNER OR SEPARATE CONTRACTORS IN INSTANCES WHERE SUCH NEGLIGENCE CAUSES PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE. IN THE EVENT CONTRACTOR AND OWNER ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY WILL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS, WITHOUT WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE STATE UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW.

11. Records. Records of Contractor's Project costs, reimbursable expenses, and payments shall be kept on a generally recognized accounting basis and made available to Owner or its authorized representative during business hours for audit or other purposes as determined by Owner. Such records shall be maintained by Contractor and shall be available to Owner or authorized representative for a period of at least three years after the provision of Contractor's Work. Financial records shall be kept on the basis of generally accepted accounting principles and in accordance with cost accounting standards promulgated by the Federal Office of Management and Budget Cost Accounting Standards Board and shall be available for audit by Owner or its authorized representative on reasonable notice.
