1. Entire Agreement and Amendment. These Terms and Conditions of Sale which include the quote and all exhibits and other attachments attached hereto, (collectively, the “Agreement”) represent the entire agreement and understanding between the parties and supersede all prior written and oral agreements, quotes, commitments, purchase orders, acknowledgements, understandings and representations between Advanced Solutions Life Sciences, LLC ("ASLS") and the customer identified on the applicable Quote ("Customer") related to the sale of any series of the BioAssemblyBot®, ("BAB") and accompanying TSIM® software ("Software"). In the event of a conflict between the terms of this Agreement and the Quote referenced in the immediately preceding sentence (the "Quote"), or between the terms of this Agreement and any purchase order, proposal, or other document submitted by Customer prior to or after entering into this Agreement, this Agreement shall control. Any capitalized terms used herein but not defined herein shall have the meanings set forth in the Quote. No provision of this Agreement shall be waived, amended, modified, superseded, canceled, terminated, renewed or extended except in a written document signed by an authorized representative from both parties hereto. Any waiver shall be limited to the particular instance and for the particular purpose when and for which it is given. As applicable, ASLS and Customer may each be referred to herein individually as a "party" and collectively as the "parties."

2. Payment. Payment of the total purchase price for the Equipment and Software shall be due as outlined on the quote for the BAB. If the quote does provide for payment terms, the payment terms shall be 50% upon execution of this Agreement and 50% upon delivery of the BAB. Customer shall pay interest at the rate of 1 1/2% per month or the highest legal interest rate, whichever is lower, on all overdue amounts. Customer shall provide ASLS with appropriate documentation if any exemption from sales or use taxes is claimed. Customer grants to ASLS a purchase money security interest on the BAB and accompanying Software delivered until ASLS has received payment in full and at ASLS request, Customer will execute a UCC-1 financing statement in connection with such security interest. Prices for the BAB exclude all insurance, freight, federal, state and local taxes, GST, fees, customs, duties, levies and other governmental assessments, all of which shall be paid by Customer directly or, if paid by ASLS, shall be paid by Customer to ASLS within fifteen (15) days of invoice of the same delivered by ASLS to Customer. Customer has no right to return the BAB except as expressly set forth in Section 7 of this Agreement.

3. Shipment, Title and Risk of Loss. Customer shall pay the cost to ship the BAB and the Software to Customer’s location. ASLS will use its best efforts to give Customer notice of delays; provided, however, that ASLS will not be liable for any damages for delay of delivery or for any failure to give such notice and delay shall not be grounds for cancellation of this Agreement. Risk of loss shall pass to Customer as soon as ASLS makes the goods available to ship. Title to the BAB shall remain in ASLS until the complete purchase price and all additional costs and charges are paid by Customer. Nothing in this Agreement shall be construed as transferring any title to the Software. Except as expressly stated in Section 4 below, this Agreement transfers no rights to or interest in the Software.

4. Software and License. The BAB includes proprietary software and documentation owned by ASLS, which is hereby licensed to Customer under a non-exclusive, non-transferable, cancellable license solely for Customer’s own internal business use in connection with the use of the BAB and in accordance with the user documentation provided by ASLS. Customer shall not, (a) modify copy, enhance make derivative works of the Software or the BAB, (b) disassemble, decompile, reverse engineer the Software or the BAB or otherwise derive human readable code from the Software, (c) resell the BAB or Software to any third party, or (d) license, sublicense, lease, rent, assign, transfer, or otherwise distribute the Software or the BAB. From time to time, ASLS may develop new versions or updates for the Software. Customer may not copy or modify in whole or in part the Software nor make it available in any form to any third party. If Customer is a unit or agency of the U.S. Government or a contractor which will or may supply any Software to a unit or agency of the U.S. Government, Customer agrees that any Software included with the BAB represents “Commercial Computer Software,” that the government’s use of such software is subject to “Restricted Rights” and that before such Software is transferred, it will be marked with the required restricted rights legend(s) as provided in the Department of Defense Federal Acquisition Regulations 52.227-7013 or corresponding government regulations. ASLS shall have the right to terminate the license to the Software upon written notice to Customer if Customer fails to comply with any term or condition herein. ASLS retains exclusive ownership of and title to all Software.
5. Improvements/Developments. Title to all inventions and discoveries made by Customer resulting from its operation of the BAB and the Software shall be owned by the Customer ("New Printing Technology"). Title to any modification or improvement to the BAB, such as a new tool shall be owned by the Customer ("Improvement"). Notwithstanding Customer’s ownership of any Improvement or New Printing Technology, in no way shall such ownership convey or confer ownership of ASLS’ intellectual property rights in and to the BAB or the Software to the Customer. Customer may commercialize and license any New Printing Technology or Improvement without any agreement or compensation to ASLS. However, if a BAB and the Software are necessary to utilize the New Printing Technology or Improvement, the BAB and the Software could only be purchased from ASLS. Depending on the actions taken by Customer to achieve the Improvement or New Printing Technology, such action may violate the warranty provisions in this Agreement and release ASLS from any obligation it may have to repair or replace the BAB. If the Customer has the Improvement or New Printing Technology certified by ASLS prior to its installation, Customers use of the Improvement or New Printing Technology will not void any warranty. Notwithstanding any Customer Improvements or New Printing Technologies and any ownership thereto, Customer expressly agrees that ASLS shall in no way be prohibited from developing, using, selling or otherwise exploiting any modification or improvement to the BAB that it originates similar to New Printing Technologies and with no compensation or remuneration of any kind to Customer provided it does not violate any of Customer’s IP ownership rights.

6. Service Deliverables. Any Service deliverables provided to Customer contain proprietary technology, concepts, ideas and knowhow owned by ASLS which are licensed to Customer on a limited basis under a non-exclusive, non-transferable license solely for Customer’s own internal business use and evaluation. The Customer shall not license, sublicense, lease, rent, assign, transfer, or otherwise distribute the deliverables to any third party without a commercial license from ASLS. ASLS shall have the right to terminate the license to the deliverables provided hereunder upon written notice to the Customer if Customer fails to comply with the payment terms or any other terms and conditions of this Agreement. ASLS retains exclusive ownership of and title to the deliverables.

7. Limited Use/Announcements. Customer agrees that it shall only use the BAB for research purposes and shall not, without the express prior written consent of ASLS (i) use the BAB or Software to produce items or materials which will be resold or distributed to any third party, whether for a profit or not, (ii) resell the BAB or Software to any third party, or (iii) make any public announcement with respect to the BAB or Software, any improvement thereto, or any discovery or result related to use of the BAB or Software.

8. Limited Warranty. The BAB is warranted against defects in workmanship and materials for twelve (12) months from the date of shipment of the BAB ("Warranty Period"). ASLS may periodically notify Customers of Software updates in the Equipment; ASLS assumes no liability for the operation of the BAB if the Customer declines to permit ASLS to update the Software. ASLS’s sole and exclusive obligation and liability under this Agreement is to repair or replace any defective BAB (including the Software). Replacement parts, which may be reconditioned, are warranted from the date of installation for the remainder of the original Warranty Period. This warranty will not apply to defects resulting from misuse, negligence or accident, including, without limitation: operation outside of the environmental specifications for the BAB; use of unauthorized supplies; performance of improper or inadequate maintenance by Customer or any third party; installation of software not supplied by ASLS; any attempt by Customer or its agents or employees to gain access to those areas of the BAB accessible only to authorized service personnel; any attempt by the Customer or its agents or employees to service those aspects of the BAB that may only be serviced by authorized ASLS personnel; improper use or connection to incompatible equipment; modifications to the BAB not authorized by ASLS; and external causes such as, but not limited to, power failure and force majeure. THE FOREGOING PROVISIONS SET FORTH ASLS’S SOLE AND EXCLUSIVE REPRESENTATIONS, WARRANTIES, LIABILITIES AND OBLIGATIONS WITH RESPECT TO THE BAB, AND ASLS MAKES NO OTHER REPRESENTATION OR WARRANTY OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED. ASLS SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT WHETHER ARISING FROM A STATUTE OR OTHERWISE IN LAW, EQUITY OR FROM A COURSE OF DEALING OR USAGE OF TRADE. IN NO EVENT SHALL ASLS BE LIABLE TO CUSTOMER OR ANY THIRD PARTY FOR SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, MULTIPLE OR OTHER INDIRECT DAMAGES, OR FOR LOSS OF
PROFITS, LOSS OF DATA OR LOSS OF USE DAMAGES, ARISING OUT OF THE OPERATION OF THE BAB, THE MANUFACTURE, SALE, OR SUPPLY OF THE BAB OR ITS USE OR DISPOSITION, EVEN IF ASLS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES. ASLS’S LIABILITY ARISING OUT OF THE MANUFACTURE, SALE OR SUPPLY OF THE BAB OR ITS USE OR DISPOSITION, WHETHER BASED UPON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, PRODUCT LIABILITY OR OTHERWISE, WILL NOT EXCEED THE ACTUAL PURCHASE PRICE PAID BY CUSTOMER FOR THE BAB. THE FOREGOING LIMITED WARRANTY IS GIVEN SOLELY TO THE ORIGINAL CUSTOMER AND IS NOT GIVEN TO, NOR MAY IT BE RELIED UPON BY, ANY THIRD PARTY INCLUDING, WITHOUT LIMITATION, CUSTOMERS OF CUSTOMER.

9. Customer Indemnification. Customer agrees to indemnify, defend and hold ASLS and its parent, subsidiary, or affiliated companies (“Affiliates”), shareholders, directors, officers, employees, agents and assignees harmless from and against any expenses incurred by or claims made against ASLS arising out of any actions of Customer including but not limited to the use of the BAB, or the improper modification to the BAB, actual or alleged breach or violation of any contract, law, rule, regulation, or by-law; libel, slander or other form of defamation; breach of any provision of these terms; and acts, errors or omissions of Customer or any of its agents, servants, employees, contractors, partners, shareholders, affiliates or representatives. For purposes of this indemnification, the term “expenses or claims” shall mean and include (i) all losses, obligations, expenses (as incurred), actual and consequential damages, taxes and costs reasonably incurred in preparing for, defending or settling any demand, investigation, suit, action, claim, inquiry or proceeding, whether or not a formal inquiry, proceeding or investigation had been commenced; and (ii) reasonable accountants’, legal and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses (all as incurred). Customer shall give ASLS immediate written notice of any demand, investigation, inquiry, action, suit, proceeding or claim. ASLS at its sole option shall have the right to defend at Customer expense any such liability or claims in which either ASLS or Customer or both are named as defendants, or reasonably are expected to be named, and ASLS shall not be obligated to mitigate losses. ASLS’s conduct of the defense shall not diminish obligation to indemnify ASLS hereunder. This indemnity shall continue in full force and effect subsequent to and notwithstanding any termination of this Agreement or any Quote.

10. Equitable Remedies. The parties hereto declare that it is impossible to measure in money the damages that will accrue by reason of a failure by Customer to perform its obligations under Sections 4, 5, 7, 9, 19 and 20 of this Agreement. Therefore, if ASLS shall institute any action or proceeding to enforce the provisions of this Agreement, the Customer hereby consents to an injunction, specific performance or other equitable remedy and waives the claim or defense that ASLS has an adequate remedy at law, and Customer hereby waives the requirement of the posting of a bond, and agrees that it shall not raise such claim or defense in any such action or proceeding.

11. Liquidated Damages. Upon the occurrence of a breach of this Agreement by either party, because it may be difficult to assign a fixed value to the loss related to the breach, the aggrieved party shall be entitled to claim liquidated damages of $25,000 per each single event of breach (“Liquidated Damages”). In addition, the parties agree that the payment of Liquidated Damages by the party shall be without prejudice to any other remedies available to the aggrieved party for such breach including further civil, administrative, criminal actions and the recovery of actual damages. All remedies are cumulative. In the case of a continuing breach, the party responsible for the breach shall pay Liquidated Damages per month or part thereof in which the breach continues.

12. Choice of Law and Enforcement. The official language of this Agreement is English and the official version of the Agreement is the English version. For the avoidance of doubt, the parties to this Agreement agree that if this Agreement or any Quote is translated into any language other than English for any purposes (including for the purposes of compliance with local laws in any territory), the English version of the relevant document shall prevail. The rights and obligations of the parties under this Agreement shall not be governed by the provisions of the 1980 U.N. Convention on Contracts for the International Sale of Goods or the related Convention on the Limitation Period in the International Sale of Goods. Rather, any disputes arising in connection with this Agreement will be governed exclusively by and be construed exclusively in accordance with the internal laws of the Commonwealth of Kentucky, without reference to its conflicts of laws principles. Customer hereby consents and submits to the jurisdiction of the federal and state courts located in the Commonwealth of Kentucky, and agrees it will not institute an action in any other jurisdiction, except as expressly stated in Section 13 below.
EACH PARTY, KNOWINGLY FOR ITSELF, ITS SUCCESSORS AND ASSIGNS, WAIVES ALL RIGHT TO TRIAL BY JURY OF ANY CLAIM ARISING WITH RESPECT TO THIS AGREEMENT OR ANY MATTER RELATED IN ANY WAY THERETO.

13. Binding Arbitration. Subject to a ASLS's right to at all times seek interim injunctive relief from any applicable court, or to, at its option, seek collection remedies in the venue it wishes, any disputed claim arising out of, or related to, this Agreement or any breach hereof shall be finally settled by mandatory binding arbitration. Such mandatory arbitration shall be administered by the American Arbitration Association (“AAA”) and conducted in English in Louisville, Kentucky, in accordance with AAA International Arbitration Rules. In the event of any conflict between this Agreement and such rules, the provisions of this Agreement shall govern. Upon written notice by the claimant party to the other party of such claimant’s intention to arbitrate, each party shall select an arbitrator within ten (10) days of such notice, and within fifteen (15) days after their selection such arbitrators shall select a third arbitrator, who shall serve as chairperson, and the three arbitrators (each of whom shall be fluent in English) shall hear and determine the controversy. If any arbitrator is not appointed within such time limits, then such arbitrator shall be appointed by the AAA. The decision of a majority of the three arbitrators must contain written reasons, and shall be final and incontestably binding upon the parties and not subject to any rights of appeal. Judgment upon any award may be entered in any competent court. Each party shall pay all fees and expenses of the arbitrator selected by such party, and each shall share equally the fees and expenses of the third arbitrator. All awards made pursuant to any arbitration proceeding conducted hereunder shall be in U.S. dollars, and if an award is made to any claimant which is greater than any amount offered in writing by the opposing party in settlement of such claim or if the opposing party has made no offer of settlement, then the opposing party shall pay all of such claimant’s costs and expenses incurred in such arbitration, including reasonable attorneys’ fees, as well as all costs of arbitration, including all AAA fees and charges and the fees and expenses of all arbitrators. If no award is made to claimant or the amount of such award is equal to or less than any such amount offered in settlement, then the claimant shall pay the opposing party’s costs and expenses incurred in such arbitration, including reasonable attorneys’ fees, as well as all such costs of arbitration.

14. Limitation of Actions. Any action against ASLS relating to any alleged breach of warranty or any other alleged product failure must be brought with twelve (12) months after the event giving rise to the cause of action or be barred forever.

15. Delays in Performance. ASLS will not be liable for failure or delay in shipment due to shortage of materials, labor difficulties, floods, fires, actions taken or threatened by any governmental agencies, acts of God or other contingencies or acts not within the sole control of ASLS.

16. Bankruptcy. Except as may be prohibited by applicable bankruptcy laws, in the event of any insolvency or inability to pay debts as they become due by a party hereto, or voluntary or involuntary bankruptcy proceeding by or against a party hereto, or appointment of a receiver or assignee for the benefit of creditors, the other party may elect to cancel any unfulfilled obligations hereunder.

17. Notices. All notices given in connection with this Agreement shall be in writing and transmitted to the addresses provided by the parties (i) recognized overnight commercial courier with proof of receipt; (ii) certified mail, return receipt requested, postage prepaid; or (iii) email to the email address listed below, with proof of transmission. Delivery of notices will be deemed given upon the date of receipt from a courier; the date certified mail return receipt is signed or delivery is rejected; or date of confirmation of email transmittal. In the event that either party wishes to change its notice address, it must notify the other party and provide a new notice address, by written notice given in accordance with this Section 16, within three (3) days of the effective date of such change. The obligation to provide an updated notice address shall survive any termination of this Agreement.

18. Assignability, Waiver and Severability. Customer may not assign any interest in an accepted order without the prior written consent of ASLS. Subject to the foregoing, the rights and obligations herein will be binding upon the successors and permitted assigns of both ASLS and Customer. ASLS’s failure to exercise any of its rights will not constitute or be deemed a waiver or forfeiture of any rights hereunder. If any of these provisions are held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired.
19. Compliance with Laws/Export. Customer shall comply with all applicable laws governing the use of the BAB and Software and the enforceability and performance of this Agreement. Without ASLS’ prior written permission, Customer shall not transship the BAB and Software. Customer shall assume sole responsibility for obtaining any required export authorization in connection with Customer’s export of the products from the country of delivery. Customer also shall ensure compliance with U.S. export control regulations and the regulations of the Office of Foreign Assets Control.

The receiving party agrees not to use any Confidential Information of the disclosing party for any purpose except in the performance of its obligations hereunder or as otherwise permitted hereunder. The foregoing restrictions on disclosure shall not apply with respect to any information which: (a) was or becomes generally known or publicly available through no act or failure to act of the receiving party; (b) is known by the receiving party without restrictions on disclosure at the time of receiving such information; (c) is rightfully furnished to the receiving party without restrictions on disclosure by a third party without a breach of such third party’s obligations of confidentiality; or (d) is independently developed by the receiving party without use of or reference to the Confidential Information of the disclosing party. Section 1320d through d-8, as amended from time to time (“HIPAA”). ASLS agrees that should it inadvertently gain access to Protected Health Information (“PHI”) during any interaction with Customer, it will keep the PHI confidential in accordance with the Agreement.
