APPENDIX ONE

Section 1: Affirmations and Confirmations

1.1 Purpose
UNTS is soliciting competitive sealed proposals from Proposers having suitable qualifications and experience providing services in accordance with the terms, conditions and requirements set forth in this RFP. This RFP provides sufficient information for interested parties to prepare and submit proposals for consideration by UNTS.

By submitting a proposal, Proposer certifies that it understands this RFP and has full knowledge of the scope, nature, quality, and quantity of the services to be performed, the detailed requirements of the services to be provided, and the conditions under which such services are to be performed. Proposer also certifies that it understands that all costs relating to preparing a response to this RFP will be the sole responsibility of the Proposer.

PROPOSER IS CAUTIONED TO READ THE INFORMATION CONTAINED IN THIS RFP CAREFULLY AND TO SUBMIT A COMPLETE RESPONSE TO ALL REQUIREMENTS AND QUESTIONS AS DIRECTED.

1.2 Inquiries and Interpretations
UNTS may in its sole discretion respond in writing to written inquiries concerning this RFP and mail its response as an Addendum to all parties recorded by UNTS as having received a copy of this RFP. Only UNTS’s responses that are made by formal written Addenda will be binding on UNTS. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by UNTS prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes. This addenda shall be posted to UNTS’ Bid Opportunities Web Page located at: https://www.untsystem.edu/hr-it-business-services/procurement/purchasing/bid-opportunities. Vendors are strongly encouraged to visit this page at least four (4) business days prior to submitting your response to ensure that you have received all applicable addenda.

Proposers are required to acknowledge receipt of each Addendum as specified in this Section. The Proposer must acknowledge all Addenda by completing, signing and returning the Addenda Checklist in Section 4 of this appendix. The Addenda Checklist should accompany the Proposer’s proposal.

Any interested party that receives this RFP by means other than directly from UNTS is responsible for notifying UNTS that it has received an RFP package, and should provide its name, address, telephone number and FAX number to UNTS, so that if UNTS issues Addenda to this RFP or provides written answers to questions, that information can be provided to such party.

All information, documentation, and other materials submitted in response to this RFP is subject to public disclosure under the Texas Public Information Act (Government Code, Chapter 552.001, et seq.). Proposer will be advised of a request for public information that implicates their materials if those materials are marked “Confidential and Proprietary” and will have the opportunity to raise any objections to disclosure to the Texas Attorney General.

1.4 Type of Agreement
Refer to the attached Sample Service Agreement

1.5 Proposal Evaluation Process
UNTS will select Contractor by using the competitive sealed proposal process described in this Section.

UNTS may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, UNTS may make the selection of Contractor on the basis of negotiation with any of the Proposers. In conducting such negotiations, UNTS will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

At UNTS’ sole option and discretion, UNTS may discuss and negotiate elements of proposals submitted with any or all proposers. Furthermore, UNTS may request presentations or system demonstrations from any or all proposers at no cost or obligation to UNTS.

After submission of a proposal but before final selection of Contractor is made, UNTS may permit a Proposer to revise its proposal in order to obtain the Proposer’s best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. UNTS is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to UNTS overall, as determined by UNTS according to the evaluation criteria contained herein.

UNTS reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of UNTS. Proposer is hereby notified that UNTS will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by UNTS.

1.6 Proposer’s Acceptance of Evaluation Methodology
By submitting a proposal, Proposer acknowledges (1) Proposer's acceptance of [a] the Proposal Evaluation Process (ref. Section 1.5 of APPENDIX ONE), [b] the Criteria for Selection (ref. 2.3 of this RFP), [c] the Specifications and, [d] the terms and all other requirements and specifications set forth in this RFP; and (2) Proposer's recognition that some subjective judgments must be made by UNTS during this RFP process.

1.7 Solicitation for Proposal and Proposal Preparation Costs
Proposer understands and agrees that (1) this RFP is a solicitation for proposals and UNTS has made no representation written or oral that one or more agreements with UNTS will be awarded under this RFP; (2) UNTS issues this RFP predicated on UNTS's anticipated requirements for the Services, and UNTS has made no representation, written or oral, that any particular scope of services will actually be required by UNTS; and (3) Proposer will bear, as its sole risk and responsibility, any cost that arises from Proposer's preparation of a proposal in response to this RFP.

1.8 Proposal Requirements and General Instructions
1.8.1 Proposer should carefully read the information contained herein and submit a complete proposal in response to all requirements and questions as directed.
1.8.2 Proposals and any other information submitted by Proposer in response to this RFP will become the property of UNTS.
1.8.3 UNTS will not provide compensation to Proposer for any expenses incurred by the Proposer for proposal preparation or for demonstrations or oral presentations that may be made by Proposer. Proposer submits its proposal at its own risk and expense.
1.8.4 Proposals that (i) are qualified with conditional clauses; (ii) alter, modify, or revise this RFP in any way; or (iii) contain irrelevancies of any kind, are subject to disqualification by UNTS, at UNTS's sole discretion.
1.8.5 Proposals should be prepared simply and economically, providing a straightforward, concise description of Proposer's ability to meet the requirements and specifications of this RFP. Emphasis should be on completeness, clarity of content, and responsiveness to the requirements and specifications of this RFP. Proposers are encouraged to completely address the evaluation criteria.
1.8.6 UNTS makes no warranty or guarantee that an award will be made as a result of this RFP. UNTS reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFP or the Agreement when deemed to be in UNTS's best interest. UNTS reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to UNTS, at UNTS’s sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.
1.8.7 Any proposal that fails to comply with the requirements contained in this RFP may be rejected by UNTS, in UNTS' sole discretion.
1.8.8 Should a vendor wish to protest or dispute determinations or awards made in connection with this RFP, it shall be done by submitting a Letter of Protest/Dispute to UNTS Senior Director for Procurement Services outlining the issue to be considered.

1.9 Execution of Offer
Proposer must complete, sign and return the attached Execution of Offer (ref. Appendix One, Section 2) as part of its proposal. The Execution of Offer must be signed by a representative of Proposer duly authorized to bind the Proposer to its proposal. Any proposal received without a completed and signed Execution of Offer may be rejected by UNTS, in its sole discretion.

1.10 Pricing and Delivery Schedule
Proposer must complete and return the Pricing Schedule (ref. Section 5 of this RFP), as part of its proposal. In the Pricing and Delivery Schedule, the Proposer should describe in detail (a) the total fees for the entire scope of the Services; and (b) the method by which the fees are calculated. The fees must be inclusive of all associated costs for delivery, labor, insurance, taxes, overhead, and profit.

UNTs will not recognize or accept any charges or fees to perform the Services that are not specifically stated in the Pricing and Delivery Schedule.

In the Pricing and Delivery Schedule, Proposer should describe each significant phase in the process of providing the Services to UNTS, and the time period within which Proposer proposes to be able to complete each such phase.

1.11 Proposer's General Questionnaire
Proposals must include responses to the questions in Section 3 of Appendix 1. Proposer should reference the item number and repeat the question in its response. In cases where a question does not apply or if unable to respond, Proposer should refer to the item number, repeat the question, and indicate N/A (Not Applicable) or N/R (No Response), as appropriate. Proposer should explain the reason when responding N/A or N/R.

1.12 Addenda Checklist
Proposer should acknowledge all addenda to this RFP (if any) by completing, signing and returning the Addenda Checklist (ref. Appendix One, Section 4) as part of its proposal. Any proposal received without a completed and signed Addenda Checklist may be rejected by UNTS, in its sole discretion.
1.13 Submittal
Proposer should submit all proposal materials enclosed in a sealed envelope, box, or container. The RFP No. (ref. Section 1.3 of this RFP) and the Submittal Deadline (ref. Section 2.1 of this RFP) should be clearly shown in the lower left-hand corner on the top surface of the container. In addition, the name and the return address of the Proposer should be clearly visible.

Proposer must also submit the number of originals of the HUB Subcontracting Plan (also called the HSP), if required, as directed by this RFP (ref. Section 2.5 of the RFP.)

Note: If proposal requires the submittal of an HSP, the completed HSP documents and the proposal response documents must be in separate sealed envelopes. Both envelopes are to be placed in a master container, and such master container should be marked in the lower left-hand corner with the RFP number and name and Submittal Deadline, as stated above.

Upon Proposer’s request and at Proposer’s expense, UNTS will return to a Proposer its proposal received after the Submittal Deadline if the proposal is properly identified. UNTS will not under any circumstances consider a proposal that is received after the Submittal Deadline or which is not accompanied by the number of completed and signed originals of the HSP that are required by this RFP.

UNTS will not accept proposals submitted by telephone, proposals submitted by facsimile (“fax”) transmission, or proposals submitted by electronic transmission (i.e., e-mail) in response to this RFP.

Except as otherwise provided in this RFP, no proposal may be changed, amended, or modified after it has been submitted to UNTS. However, a proposal may be withdrawn and resubmitted at any time prior to the Submittal Deadline. No proposal may be withdrawn after the Submittal Deadline without UNTS’s consent, which will be based on Proposer’s submittal of a written explanation and documentation evidencing a reason acceptable to UNTS, in UNTS’s sole discretion.

By signing the Execution of Offer (ref. Appendix One, Section 2) and submitting a proposal, Proposer certifies that any terms, conditions, or documents attached to or referenced in its proposal are applicable to this procurement only to the extent that they (a) do not conflict with the laws of the State of Texas or this RFP and (b) do not place any requirements on UNTS that are not set forth in this RFP or in the Appendices to this RFP. Proposer further certifies that the submission of a proposal is Proposer's good faith intent to enter into the Agreement with UNTS as specified herein and that such intent is not contingent upon UNTS’ acceptance or execution of any terms, conditions, or other documents attached to or referenced in Proposer's proposal.

1.14 Page Size, Binders, and Dividers
Proposals must be typed on letter-size (8-1/2” x 11”) paper, and must be submitted in a binder. Preprinted material should be referenced in the proposal and included as labeled attachments. Sections within a proposal should be divided by tabs for ease of reference.

1.15 Table of Contents
Proposals must include a Table of Contents with page number references. The Table of Contents must contain sufficient detail and be organized according to the same format as presented in this RFP, to allow easy reference to the sections of the proposal as well as to any separate attachments (which should be identified in the main Table of Contents). If a Proposer includes supplemental information or non-required attachments with its proposal, this material should be clearly identified in the Table of Contents and organized as a separate section of the proposal.

1.16 Pagination
All pages of the proposal should be numbered sequentially in Arabic numerals (1, 2, 3, etc.). Attachments should be numbered or referenced separately.
Section 2: Execution of Offer

THIS EXECUTION OF OFFER MUST BE COMPLETED, SIGNED AND RETURNED WITH PROPOSER'S RESPONSE. FAILURE TO COMPLETE, SIGN AND RETURN THIS EXECUTION OF OFFER WITH THE PROPOSER'S RESPONSE MAY RESULT IN THE REJECTION OF THE PROPOSAL.

*Continuous Contract: Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. In such situations the prime contractor and HUB vendor are entering (have entered) into “new” contracts.*
HUB Subcontracting Plan (HSP)

In accordance with Texas Gov’t Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

- 21.1 percent for commodities contracts.

--- Agency Special Instructions/Additional Requirements ---

In accordance with 34 TAC §20.285(d)(1)(D)(ii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent’s subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent does not have a continuous contract* in place for more than five (5) years shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2003 Texas Disparity Study.

SECTION 1: RESPONDENT AND REQUISITION INFORMATION

a. Respondent (Company) Name: ___________________________ State of Texas VID #: ___________________________
   Point of Contact: ______________________________________ Phone #: ___________________________
   E-mail Address: ______________________________________ Fax #: ___________________________

b. Is your company a State of Texas certified HUB? □ - Yes □ - No

c. Requisition #: ______________________________________ Bid Open Date: ________(mm/dd/yyyy)
SECTION 2. RESPONDENT’s SUBCONTRACTING INTENTIONS

After dividing the contract work into reasonable lots or portions to the extent consistent with prudent industry practices, and taking into consideration the scope of work to be performed under the proposed contract, including all potential subcontracting opportunities, the respondent must determine what portions of work, including contracted staffing, goods and services will be subcontracted. Note: In accordance with 34 TAC §20.282, a “Subcontractor” means a person who contracts with a prime contractor to work, to supply commodities, or to contribute toward completing work for a governmental entity.

a. Check the appropriate box (Yes or No) that identifies your subcontracting intentions:
   □ Yes, I will be subcontracting portions of the contract. (If Yes, complete Item b of this SECTION and continue to Item c of this SECTION.)
   □ No, I will not be subcontracting any portion of the contract, and I will be fulfilling the entire contract with my own resources, including employees, goods and services. (If No, continue to SECTION 3 and SECTION 4.)

b. List all the portions of work (subcontracting opportunities) you will subcontract. Also, based on the total value of the contract, identify the percentages of the contract you expect to award to Texas certified HUBs, and the percentage of the contract you expect to award to vendors that are not a Texas certified HUB (i.e., Non-HUB).

Continuous Contract: Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In situations the prime contractor and HUB vendor are entering (have entered) into new contracts.

SECTION 3: SELF PERFORMING JUSTIFICATION (If you responded “No” to SECTION 2, Item a, you must complete this SECTION and continue to SECTION 4.) If you responded “No” to SECTION 2, Item a, in the space provided below explain how your company will perform the entire contract with its own employees, supplies, materials and/or equipment.

SECTION 4: AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency’s name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency’s point of contact for the contract no later than ten (10) working days after the contract is awarded.

- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at https://www.comptroller.texas.gov/purchasing/docs/hub-forms/ProgressAssessmentReportForm.xls).

- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency’s prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.

- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company’s headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

HUB status code “A” signifies that the company is a Texas certified HUB.

b. List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. HUB Subcontracting Opportunity Notification Form

In accordance with Texas Govt Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of $100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in Section B has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 Texas Administrative Code, §20.285 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified HUBs (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, at least seven (7) working days prior to submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more trade organizations or development centers (in Texas) that serves members of groups (i.e., Asian Pacific American, Black American, Hispanic American, Native American, Woman, Service Disabled Veteran) identified in Texas Administrative Code §20.282(19)(C).

We respectfully request that vendors interested in bidding on the subcontracting opportunity scope of work identified in Section C, Item 2, reply no later than the date and time identified in Section C, Item 1. Submit your response to the point-of-contact referenced in Section A.
