(D) The Parties agree that any breach of this Section 6.1 may cause the Disclosing Party substantial and irreparable damages; therefore, if the Receiving Party discloses or uses (or threatens to disclose or use) any Confidential Information of the Disclosing Party in breach of this Section 6.1, the Disclosing Party shall have the right, in addition to any other remedies available to it, to seek injunctive and equitable relief.

6.2 Security. Access to the Platform is password-controlled. Client is responsible for maintaining the security of user passwords and will instruct its Users as to the importance of maintaining the confidentiality of passwords and/or user identifications. Client acknowledges that the security of its systems may be compromised if Users do not follow applicable security policies and procedures and take other appropriate steps to maintain the security of the Platform, including, without limitation, maintaining the confidentiality of user identifications and passwords, frequent changing of passwords and maintaining appropriate internal controls to monitor access to and use of the Platform. If Client becomes aware of the unauthorized use of a password or other security breach, Client will promptly notify Company in writing.

6.3 Compliance with Law/Order. Receiving Party reserves the right to use or disclose Disclosing Party's Confidential Information if required by law and/or to comply with a judicial proceeding, court order, or legal process; provided, however, that in each instance, to the extent legally permissible, Receiving Party shall provide Disclosing Party with prior written notice (which may be by email) of such compelled disclosure.

7. REPRESENTATIONS AND WARRANTIES

7.1 Authorization and Compliance. Each Party represents that the undersigned individual has full authority to (1) execute this Agreement on behalf of his/her respective Party; and (2) bind his/her respective Party to this Agreement. Both Parties agree to comply fully with all relevant laws, including the export laws and regulations relating to use of the Platform in its place of business, regardless of country or jurisdiction.

7.2 Warranties. Company warrants that the Platform will: (1) perform substantially in accordance with the applicable Documentation; and (2) be available to Client in accordance with the service level standards set forth in Section 4. Company will use commercially reasonable efforts to ensure that the Platform is and remains free of Malicious Code. Company further represents and warrants that any Services will be performed in a professional and workmanlike manner consistent with industry standards and best practices.

7.3 Client's Systems. Client is solely responsible for its own computer networks, systems, hardware, and software, including the storage, security, and preservation of its own data. Storage and use of any downloaded Content is solely at Client's own risk.

7.4 Disclaimers.

(A) THE WARRANTIES SET FORTH IN THIS AGREEMENT ARE, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND TITLE (INCLUDING NON-INFRINGEMENT), AND ANY AND ALL IMPLIED WARRANTIES ARISING FROM STATUTE, COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE. COMPANY MAKES NO WARRANTY THAT THE PLATFORM AND SERVICES OR ITS USE WILL BE UNINTERRUPTED OR ERROR-FREE.

(B) COMPANY DOES NOT MAINTAIN OR CONTROL THIRD-PARTY CONTENT OR THE CONTENT OF OTHER WEBSITES THAT MAY BE MADE AVAILABLE VIA THE PLATFORM, SERVICES, OR WITHIN REPORTS AND IS NOT RESPONSIBLE FOR THE AVAILABILITY, COMPLETENESS, TIMELINESS, FACTUAL ACCURACY, OR NON-INFRINGEMENT OF SUCH CONTENT. CONTENT IS PROVIDED "AS IS," EXCLUSIVE OF ANY WARRANTY WHATSOEVER. CLIENT ACKNOWLEDGES THAT COMPANY AND/OR THIRD-PARTY SOURCES MAY CHOOSE AT ANY TIME TO PROHIBIT THEIR CONTENT FROM BEING ACCESSED UNDER THIS AGREEMENT.

8. INDEMNIFICATION

8.1 Indemnification by Company. Company will defend any Client Covered Parties against any claim, demand, suit or proceeding made or brought against Client by a third party alleging that the Platform infringes or misappropriates such third party's intellectual property rights under the laws of the United States (a "Claim Against Client"), and will indemnify Client Covered Parties from any damages, attorney fees and costs finally awarded against Client Covered Parties as a result of, or for amounts paid by Client Covered Parties under a court-approved settlement of a Claim Against Client. Company's indemnification obligation does not cover third party claims arising from: (1) modifications to the Platform by anyone other than Company or its authorized agents and contractors; (2) use of the Platform by Client in combination with other software or equipment not provided by Company where the Platform, but for such combination, would not be infringing; or (3) Client's failure to use the Platform in accordance with the terms and conditions in this Agreement. If a claim regarding the Platform and alleging infringement is brought or is likely, in Company's sole opinion, to be brought, Company may, at its option and expense (A) obtain the right for Client to continue using the Platform; (B) replace or modify the Platform so that it becomes non-infringing; or (C) upon notice to Client, terminate this Agreement or Client's use of the Platform or any portion thereof, provided that Company promptly refunds to Client the prorated portion of any pre-paid annual subscription fees paid hereunder for the Platform. The above defense and indemnification obligations do not apply to the extent a Claim Against Client arises from Client Data, Content, or Client's breach of this Agreement.

8.2 Indemnification by Client. Client will defend any Company Covered Party against any claim, demand, suit or proceeding made or brought against such Company Covered Party by a third party alleging that the Client Data, or Client's use of any Platform, Service, or Content in breach of this Agreement, infringes or misappropriates such third party's intellectual property, proprietary or personal rights or violates applicable law, including violation of privacy or spamming laws or regulations (a "Claim Against Company"), and will indemnify the Company Covered Party from any damages, attorney fees and costs finally awarded against the Company Covered Party as a result of, or for any amounts paid by the Company Covered Party under a court-approved settlement of a Claim Against Company.

8.3 Indemnification Requirements. Indemnification by a Party is conditioned upon the following: (1) the indemnitee promptly notifying the other Party of any claim; (2) the indemnitor having sole control of the defense and all related settlement negotiations; and (3) the indemnitee cooperating, at the indemnitor's expense, in the defense and furnishing the indemnitor with all related evidence in its control.

8.4 Exclusive Remedy. This Section 8 states the indemnifying Party's sole liability to, and the indemnified Party's exclusive remedy against, the other Party for any type of claim described in this section.

9. LIMITATION OF LIABILITY

9.1 Responsibility for Results. Client acknowledges that it alone is responsible for the results obtained from its use of the Platform, including without limitation the usefulness, completeness, accuracy and content of such results. If any such results are inaccurate or incomplete solely due to any defect in the Platform, Client's exclusive remedy and Company's sole obligation shall be to correct or modify the Platform at no additional charge to Client.

9.2 Links to Third Party Sites. The Platform may contain hyperlinks to Web sites controlled by parties other than Company. Company is not responsible for and does not endorse or accept any responsibility for the content or use of such Web sites.

9.3 Limitation of Liability. Except for a material breach of the confidentiality provisions set forth in Section 6 or claims related to personal injury or property damage caused solely by Company's gross negligence or willful misconduct, Company's entire liability and Client's exclusive remedy for damages for any claims arising under or in connection with this Agreement, regardless of the cause of

action, whether in contract or in tort (including without limitation, breach of warranty and negligence claims) shall be limited to Client's actual, awarded direct damages, not to exceed the amounts actually paid by Client under this Agreement during the twelve (12) months immediately preceding the month in which the cause of action arose.

9.4 Exclusion of Consequential and Related Damages. IN NO EVENT WILL EITHER PARTY, COMPANY'S THIRD-PARTY CONTENT SUPPLIERS, OR ANY OF THEIR DIRECTORS, AGENTS, OFFICERS, EMPLOYEES, REPRESENTATIVES, SUCCESSORS OR AFFILIATES HAVE ANY LIABILITY TO THE OTHER PARTY FOR (1) ANY CLAIMS OR DEMANDS OF THIRD PARTIES (OTHER THAN THOSE THIRD-PARTY CLAIMS COVERED BY SECTION 8); OR (2) ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY, OR INDIRECT DAMAGES, INCLUDING BUT NOT LIMITED TO ANY DAMAGES FOR ANTICIPATED PROFITS, LOSS OF REVENUE, ECONOMIC LOSS, LOSS OF DATA, COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, LOSS OF USE OF EQUIPMENT, OR INTERRUPTION OF BUSINESS, WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF LIABILITY, EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE FOREGOING DISCLAIMER WILL NOT APPLY TO THE EXTENT PROHIBITED BY LAW.

10. TERM AND TERMINATION

10.1 Term of MSA. The term of this MSA commences on the MSA Effective Date and continues until the expiration or termination of all Service Terms ("Term"). Except as expressly set forth in this Agreement, this Agreement may not be terminated prior to the end of the Term.

10.2 Term of Subscriptions. A "Service Term" is defined as the period of time for each Service, including the Platform subscription, provided to Client under this Agreement. Service Terms will be set forth in each applicable Order Form. Any Services purchased by Client shall be used by Client within the longest Service Term of any service listed on the Order Form, or if no other service is listed on the Order Form, then within Client's then-current Service Term.

10.3 Intentionally omitted.

10.4 Termination for Breach. If either Party believes that the other Party has failed in any material respect to perform its obligations under this Agreement, then that Party may provide written notice to the breaching Party describing the alleged failure in reasonable detail. If a breach has occurred and if the breaching Party does not cure or begin to cure the material failure within thirty (30) days after receiving such written notice, then the non-breaching Party may terminate this Agreement immediately by written notice to the breaching Party. Termination of this Agreement will be in addition to, and not in lieu of, other remedies available to the terminating Party. Notwithstanding the foregoing, Company may terminate this Agreement immediately if Client or any Users breach Section 2.1(B), Section 2.3, or Section 6 of this Agreement.

10.5 Suspension of Service by Company. In addition to those conditions, rights, and remedies set forth in this Agreement, Company may suspend access to the Platform under any Order Form if, in Company's reasonable determination: (1) Client fails to pay an undisputed invoice within ten (10) days after Company gives Client notice of such failure (which may be by email or telephone); (2) Client's use of the Platform or Content violates applicable local, state, federal, or foreign laws or regulations; (3) Client fails to use the Platform in accordance with this Agreement; (4) Client's use of the Platform degrades performance of the Platform, or results in excessive bounce-backs, SPAM notices or requests for removal from mailing lists by recipients; or (5) there are repeated complaints of Client posting or uploading material that infringes or is alleged to violate the intellectual property rights of any person or entity. Company will provide notice (which may be by email) of such suspension; and when commercially possible, will work in good faith with Client to help Client resolve the issue causing the suspension so that access to the Platform may be restored.

10.6 Refund or Payment on Termination. If this Agreement is terminated by Client in accordance with Section 10.4 above, Company will refund Client any prepaid fees covering the remainder of the term of all Order Forms after the effective date of termination. If this Agreement is terminated by Company in accordance with Section 10.4 above, Client will pay any unpaid fees covering the remainder of the term of all Order Forms. In no event will termination relieve Client of its obligation to pay any fees due or payable to Company for the period prior to the effective date of termination.

10.7 Effect of Termination. Upon any expiration or termination of this Agreement: (1) Client's right to use the Platform shall cease, and Company shall have no further obligation to make the Platform available to Client; (2) except as otherwise expressly stated herein, all rights, licenses and/or access granted to Client under this Agreement will immediately cease; and (3) Client shall return, delete or destroy any Content and shall certify in writing to Company that it has done so.

11. GOVERNING LAW AND DISPUTES

11.1 This Agreement, and any disputes arising out of or related hereto, will be governed exclusively by the laws of the State of Maryland exclusive of its choice of law provisions and WITHOUT THE APPLICATION OF THE UNIFORM COMPUTER INFORMATION TRANSACTIONS ACT. Any suit hereunder will be brought in the federal or state courts located in the State of Maryland, and the Parties submit to the personal jurisdiction thereof. The Parties agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement. Client and Company agree that in the event of litigation, the prevailing Party shall have the right to collect from the other Party its reasonable costs and attorneys' fees.

11.2 Except for actions for non-payment, breach of confidentiality or indemnities under Section 8, no action, regardless of form, arising out of or related to this Agreement may be brought by either Party more than two (2) years after the accrual of the cause of action.

If either Party waives any right, power or remedy, such waiver will not waive any successive or other right, power or remedy the Party may have under this Agreement.

12.9 Severability. The provisions of this Agreement shall be deemed severable, and the unenforceability of any one or more provisions shall not affect the enforceability of any other provisions. In addition, if any provision of this Agreement, for any reason, is declared to be unenforceable, the Parties shall substitute an enforceable provision that, to the maximum extent possible in accordance with applicable law, preserves the original intentions and economic positions of the Parties.

Client understands and accepts that by providing the media database and the Database Data, Company does not represent that it has received opt-ins on behalf of Client and that it is Client's sole responsibility to be compliant with applicable laws and regulations in contacting the individuals in the database. Client is responsible for ensuring that any individual whom Client contacts via the Platform using contact information acquired other than through the Platform has either (A) given prior consent; or (B) can be contacted by Client in accordance with applicable law. **UNLESS OTHERWISE PROVIDED IN THIS AGREEMENT, DOWNLOADING, REPRODUCTION, REDISTRIBUTION, OR REPUBLICATION OF THE DATABASE DATA IS AT CLIENT'S OWN RISK. COMPANY AND ITS THIRD-PARTY PROVIDERS WILL NOT BE LIABLE FOR CLIENT'S SUBSEQUENT USE OR DISTRIBUTION OF THE DATABASE DATA.**

1.3 Twitter Data. Certain Database Data may be provided by Twitter ("**Twitter Data**"), and by using such Twitter Data, Client agrees to the Twitter Terms of Service located at www.twitter.com or such other terms that Client has entered into with Twitter directly ("**Twitter TOS**"). Company may immediately terminate Client's access to and continued retention of YouTube Data if Company or YouTube reasonably believes that Client is not in compliance with the YouTube TOS.

2. PRESS RELEASE DISTRIBUTION AND WEB SERVICE ENGINE OPTIMIZATION ("WEB SEO") SERVICES

2.1 Press Release Distribution Services. This section sets forth the terms and conditions governing Client's use of press release distribution services ("**Distribution Services**") provided by Company's Affiliates, PR Newswire Association LLC ("**PR Newswire**") and/or Vocus PRW Holdings ("**PRWeb**") and are subject solely to the terms and conditions specified in this Section 2.1 of this Exhibit A and Articles 5, 10, 11 and 12 of the MSA. Any other provision of the MSA shall have no force or effect with respect to the provision of the Distribution Services.

(A) For purposes of this Section 2.1, the following terms have the meanings ascribed to them below:

"**Authorized Sender**" refers to those individuals identified by Client in writing as being authorized to submit Release Content and issue Releases on Client's behalf.

"**Release Content**" refers to information, data or content of any kind posted, delivered, uploaded or submitted by Client or on Client's behalf in connection with the Distribution Services, whether in the form of copy, text, images, video, audio files or other form, and regardless of the format, including all logos, proprietary marks, distribution lists, links and URLs.

"**Release**" refers to Release Content, as processed by PR Newswire or PRWeb for distribution.

(B) Client is responsible for the content and accuracy of all Release Content submitted by it, even if any Release Content has been reviewed, edited, or written by Company or its Affiliates for Client. PRNewswire, PRWeb and Company are not responsible for verifying facts contained in any Release Content. Because of the volume of information and copy submitted to PR Newswire and PRWeb, PR Newswire and PRWeb cannot be responsible for verifying any facts contained therein. Client represents, warrants and covenants that (1) it has the right, power and authority to submit the Release Content to PR Newswire or PRWeb for distribution and to issue Releases; (2) it has all of the necessary right, title and interest in and to the Release Content to grant the rights granted herein; (3) it shall comply with all federal, state, local and international laws, rules and regulations applicable to its use of the Platform; (4) it has obtained all of the authorizations and consents required in connection with its distribution lists; (5) the Release Content will not contain any material that (a) is obscene or pornographic; (b) is libelous, slanderous, defamatory, or otherwise false or misleading; or (c) violates any copyright, patent, trademark, trade secret or other proprietary right, right of privacy or publicity, or any other right of any individual or entity; and (6) it shall take commercially reasonable precautions to ensure that the Release Content will not contain any (a) computer virus, Trojan horse, trap door, back door, Easter egg, worm, time bomb, packet bomb, cancelbot, scripts, macros; (b) programs or links to macros, scripts, or programs; or (c) other code that alters, destroys or inhibits the operation of, or infiltrates computer systems or data run through such computer systems. Client shall indemnify and hold harmless PR Newswire and/or PRWeb, its affiliates and agents, and those licensed or otherwise authorized by PR Newswire and/or PRWeb to process, transmit or distribute Release Content from and against any and all claims, losses, damages, liabilities, costs

and expenses (including reasonable attorneys' fees) arising out of or relating to any breach by Client of the foregoing representations and warranties or otherwise arising out of or relating to the contents or nature of the Release Content.

(C) By submitting Release Content to PR Newswire and/or PRWeb in connection with the Distribution Services, Client grants to PR Newswire and/or PRWeb and their third-party content distributors a worldwide, royalty-free, perpetual and sublicensable right and license to reproduce, distribute, translate, archive and create derivative works of the type created by a news release distribution business from any Release Content or Release.

(D) Only Authorized Senders may submit Release Content or issue Releases on Client's behalf. Client acknowledges that it is its responsibility to provide PR Newswire and/or PRWeb with a current, accurate list of the names of its Authorized Senders, and all related contact information, at all times. For each Release, Client shall indicate, in writing, (1) the name of the issuer of the Release (i.e. not the issuer's agency), which name shall be displayed to the public as the source of the Release; and (2) the name and phone number of the person responsible for responding to questions or requests for additional information by members of the media and other readers of the Release. As part of its performance of the Distribution Services, PR Newswire and/or PRWeb may process Client Data, including for the purposes of (1) incorporation of metatags, urls, beacons, logos, and copyright notices; (2) formatting for distribution; and (iii) correction of typographical, spelling, and other non-substantive errors.

(E) Client acknowledges that: (1) Client's failure to update the names of its Authorized Senders or any related contact information could result in delays in the issuance of Releases or the issuance of Releases by a person or persons no longer authorized by Client; (2) PR Newswire or PRWeb may, in its sole discretion and judgment, reject Release Content for any reason, or refuse or cease distribution of any Release or remove any Release, in each case if it determines that the Release is objectionable or may result in liability; (3) PR Newswire's and PRWeb's distribution lists may change from time to time, and, except as otherwise expressly specified in the Order, PR Newswire and PRWeb do not guarantee distribution of a Release to any specific distribution point; (4) PR Newswire and PRWeb do not guarantee that any Release will be picked up by any particular website, media outlet or member of the media; (5) once distributed and viewable by the public, a Release may be publicly accessed, viewed and downloaded in perpetuity; and (6) PR Newswire and PRWeb have no responsibility or liability for the license terms of any Terms of Use, Terms of Service, or other terms or conditions of any social media site (such as Facebook, Twitter, YouTube and Pinterest) to which a Release is distributed.

(F) Company represents that it has the right, power, and authority to act for and bind PR Newswire and PRWeb, who in turn each represent and warrant that (1) it has the right, power and authority to enter into this Agreement; (2) it will comply with all federal, state, international and local laws, rules and regulations applicable to Company's business in connection with the provision of Distribution Services to Client hereunder; and (3) it will perform its obligations under the terms of this Agreement in accordance with applicable industry standards. Any errors by PR Newswire or PRWeb will be corrected promptly upon discovery, without additional charge, or, if correction is not practical (in PR Newswire's or PRWeb's discretion) then PR Newswire or PRWeb may provide a refund for such affected Release, and such obligation to correct or refund shall constitute the sole liability of PR Newswire or PRWeb for such affected Release.

(G) EXCEPT AS PROVIDED IN THIS SECTION 2.1, PR NEWSWIRE AND PRWEB MAKE NO WARRANTIES, EXPRESS OR IMPLIED, AS TO THE DISTRIBUTION SERVICES, INCLUDING BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY OR SUITABILITY FOR PRINT OR BROADCAST. NOTWITHSTANDING ANY PROVISION OF THE MSA TO THE CONTRARY, EXCEPT FOR CLAIMS RELATED TO PERSONAL INJURY OR PROPERTY DAMAGE CAUSED SOLELY BY PR NEWSWIRE'S OR PRWEB'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, PR NEWSWIRE'S, PRWEB'S AND COMPANY'S ENTIRE LIABILITY AND CLIENT'S EXCLUSIVE REMEDY FOR DAMAGES FOR ANY CLAIMS ARISING UNDER OR IN CONNECTION WITH THE DISTRIBUTION SERVICES, REGARDLESS OF THE CAUSE OF ACTION, WHETHER IN CONTRACT OR IN TORT (INCLUDING WITHOUT LIMITATION, BREACH OF WARRANTY AND NEGLIGENCE CLAIMS) SHALL BE LIMITED TO CLIENT'S ACTUAL, AWARDED DIRECT DAMAGES, NOT TO EXCEED THE AMOUNTS ACTUALLY PAID BY CLIENT WITH RESPECT TO THE DISTRIBUTION SERVICES DURING THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE MONTH IN WHICH THE CAUSE OF ACTION AROSE. IN CONNECTION WITH THE DISTRIBUTION SERVICES, IN NO EVENT WILL EITHER PARTY OR ANY OF THEIR DIRECTORS, AGENTS, OFFICERS, EMPLOYEES, REPRESENTATIVES, SUCCESSORS OR AFFILIATES HAVE ANY LIABILITY TO THE OTHER PARTY FOR (1) ANY CLAIMS OR DEMANDS OF THIRD PARTIES (OTHER THAN THOSE THIRD-PARTY CLAIMS COVERED IN SECTION 2.1 OF THIS EXHIBIT A); OR (2) ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY, OR INDIRECT DAMAGES, INCLUDING BUT NOT LIMITED TO ANY DAMAGES FOR ANTICIPATED PROFITS, LOSS OF REVENUE, ECONOMIC LOSS, LOSS OF DATA, COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, LOSS OF USE OF EQUIPMENT, OR INTERRUPTION OF BUSINESS, WHETHER AN ACTION IS IN CONTRACT OR TORT AND REGARDLESS OF THE THEORY OF LIABILITY, EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE FOREGOING DISCLAIMER WILL NOT APPLY TO THE EXTENT PROHIBITED BY LAW.

(H) Client acknowledges that the views expressed by issuers of press releases are their own opinions, not the views of Company or the Press Release Distribution Services, and that different issuers of press releases may espouse conflicting opinions.

(I) Company, PRNewswire and PRWeb reserve the right in their reasonable discretion to (a) reject or edit Release Content (such editing to be done collaboratively with Client); and (b) remove any Release from their Web sites, cease distribution of any Release or reject any Release, at any time. Client acknowledges that re-distribution of Releases is sometimes beyond Company's control, and accordingly, Company is not obligated to remove Releases from sites outside of its networks.

(J) All Releases must follow the Distribution Services' editorial guidelines which can be found on the Distribution Services' Web sites and are subject to change at any time at Company's, PRNewswire's or PRWeb's sole discretion.

2.2 Web SEO Services. Client may purchase search engine optimization and tagging services, as well as search engine reports on their press releases ("Web SEO Services"). As further set forth in Section 7 of the MSA, neither Company nor its third-party suppliers or

partners will be liable to Client for any error or omission resulting in the failure of the Web SEO Services to create any specific changes in search engine placement.

3.2 Services and Rates. Based on Client Queries, the Monitoring Service may contain information from the following available sources: (1) print, (2) internet, (3) social media, and (4) broadcast monitoring (collectively, the "**Materials**"). Information provided through broadcast monitoring shall also be referred to as "**Broadcast Content**." Materials provided through the Monitoring Service constitute Content and are provided "AS IS."

(A) US Media Monitoring Services. Company takes no responsibility and assumes no liability for the obligations of Third-Party Content received via the Platform. Client acknowledges and agrees that Company is only acting as a passive conduit for online distribution and publication of Materials from a third party. Client may be required to agree to a third party's terms of use in connection with its use of Materials.

(B) International Print Monitoring Services. For international print media monitoring services, Company may charge a fixed fee as set forth on the applicable Order Form as well as a variable charge for delivery of certain articles, as set forth on the applicable Order Form. Items delivered to Client cannot be used as evidence in legal proceedings, in political activities or for any public display including, but not limited to, marketing, advertising, endorsement, publicity, and educational exhibition. Certain items delivered to Client via the Platform may only remain on Company's servers for a limited period of time pursuant to Company's agreements with its third-party providers. After expiration of that time, certain copyrighted items may not be available for retrieval from the Platform.

(i) Canadian Monitoring Services. Canadian Content is subject to additional restrictions as set forth below:

a. Users must be made aware of any restrictions on use of and access to the Materials before being given access to the Canadian Content. In no circumstances shall the aggregate responsibility of any copyright owner or licensor exceed the amount paid by Client under this Agreement.

b. Company is authorized to transfer to its copyright licensors all relevant information about this Agreement. For Materials for which distribution rights are administered by any third-party licensors (including CEDROM-SNi Inc.), the licensing rights and authorizations granted under this Agreement are deemed to have been granted directly by such licensors. All copyright licensors shall benefit from the same rights and protections as benefit the respective copyright owner, and as Cision holds under this Agreement.

c. In some circumstances, certain Materials may only be available if Client enters into a direct copyright license with and/or pays direct license fees to the applicable licensor (even if those Materials are specifically referred to in this Agreement or in an Order Form). Company will inform Client if this is the case.

d. Without limiting the generality of sub-section (d.) above, Company provides certain Materials to Client through a partnership with CEDROM-SNi Inc. ("CEDROM"), and Content provided through this partnership is provided "AS IS". CEDROM-provided Content is subject to the CEDROM Content Licensing Restrictions, available online at <http://www.cision.ca/legal/copyright-resources/> and incorporated into this Agreement by reference (the "CEDROM Terms"). The CEDROM Terms shall be deemed modified to the extent necessary to permit access to the CEDROM-provided Content through the functionality of the Platform. By accessing and using the CEDROM-provided content, Client is deemed to agree to the CEDROM Terms. The CEDROM Terms constitute a separate binding agreement between CEDROM and Client, and CEDROM has the right to assert and enforce the CEDROM Terms directly on its own behalf. Company takes no responsibility and assumes no liability for the obligations of CEDROM or for any CEDROM-provided Content accessed via the Platform. Client agrees that Company is only acting as a passive conduit for distribution and publication of CEDROM-provided Content. CEDROM's consent to the terms of this Agreement shall be evidenced by its providing Client with the means to access the CEDROM-provided Content.

e. Certain services may have threshold limits or be subject to the payment of additional fees. If Client exceeds such limits or uses such services, it will be responsible for the applicable overage fees. Client may request details of such fees from Company at any time.

(C) News Monitoring with LexisNexis. Company provides certain Materials to Client through a partnership with LexisNexis, a division of Reed Elsevier Inc. ("LN") via the Platform, and Content provided through this partnership is provided "AS IS." LN-provided Content is subject to the LexisNexis Terms and Conditions, available online at <http://www.lexisnexis.com/terms/general.aspx> and incorporated into this Agreement by reference or such other terms that Client has entered into with LN directly ("**LN Terms**"). The LN Terms shall be deemed modified to the extent necessary to permit access to the LN-provided Content through the functionality of the Platform. Client is prohibited from accessing and using LN-provided Content unless Client has consented to the LN Terms. The LN Terms constitute a separate binding agreement between LN and Client, and LN has the right to assert and enforce the LN Terms directly on its own behalf. Company takes no responsibility and assumes no liability for the obligations of LN as well as any LN-provided Content accessed via the Platform. Client agrees that Company is only acting as a passive conduit for online distribution and publication of LN-provided Content that has been ordered by Client from LexisNexis. LN's consent to the terms of this Agreement shall be evidenced by providing Client with the means to access the LN-provided Content. LN Content may be provided as part of or separately from the Monitoring Service.

(D) Quickshare via LexisNexis Publisher. Company provides certain content sharing capabilities of LN-provided Content (“Quickshare”) to Client through a partnership with LN via the Platform, but only if Client subscribes to such Quickshare service. Client is permitted to publish or distribute LN-provided Content internally to the specified number of recipients listed on the Order Form through daily newsletters, email transmission, and/or through Client’s intranet. For purposes of this paragraph, “internal” includes Client and its Affiliates.

(E) Social Media Monitoring Services. In conjunction with its partners, Company provides social media monitoring services directly by email and via the Platform. Social media monitoring charges consist of a fixed fee based on the number of media categories that Company tracks and Client’s article volume. This fee is tiered based on the Parties’ agreed estimate of Client’s usage. Company reserves the right to conduct periodic actual usage audits to determine Client’s actual volume. If Client’s audited volume exceeds the tier applicable to its usage, Company will cease providing Content above such volume, and determine what Content to deliver in its sole discretion. Company may need administrative access to Client’s social media platform(s) in order to provide social media monitoring services.

(i) Certain Content may be provided by Twitter (“**Twitter Data**”), and by using such Content Client agrees to the Twitter Terms of Service located at www.twitter.com or such other terms that Client has entered into with Twitter directly (“**Twitter TOS**”). If Client uses the Platform to create content for or post content to the Twitter service, then Client agrees to be bound by the Twitter privacy policy located at www.twitter.com (“**Twitter Privacy Policy**”), and the Twitter Rules located at www.twitter.com (“**Twitter Rules**”). Company may immediately terminate Client’s access to and continued retention of such Content if Company or Twitter reasonably believes that Client is not in compliance with the Twitter TOS, Twitter Rules or Twitter Privacy Policy.

(ii) Certain Content may be provided by YouTube (“**YouTube Data**”), and by using such YouTube Data, Client agrees to be bound by the YouTube Terms of Service located at <https://www.youtube.com/t/terms> or such other terms that Client has entered into with YouTube directly (“**YouTube TOS**”). Company may immediately terminate Client’s access to and continued retention of YouTube Data if Company or YouTube reasonably believes that Client is not in compliance with the YouTube TOS.

(F) Broadcast Monitoring Services.

(i) Company provides Broadcast Content through a partnership with a third-party provider. Notwithstanding anything in this Agreement to the contrary, Client and Users may: (1) search for and retrieve video and audio streams, (2) edit clips for storage on, and retrieval from, the third-party provider’s servers via the tools provided, (3) use the Broadcast Content only for Client’s internal, professional use and the purposes of private, non-commercial criticism, comment, news reporting, teaching, scholarship, or research; (4) distribute the Broadcast Content only within Client’s organization in digital copy or link distribution through e-mail, as permitted by the third party’s software; (5) not publicly distribute, broadcast, transfer, display, or otherwise publicly exhibit any part of the Broadcast Content by any means, including posting clips to a public Web site on the Internet; (6) not resell, redistribute, download, or store Broadcast Content, other than as permitted in this Section; and (7) not create derivative works from, copy and paste links, resell, reverse engineer or otherwise redistribute to third parties the Broadcast Content or the third party’s software. Client and Users must use best efforts to prevent unauthorized copying or distribution of the Broadcast Content.

(ii) Company provides Client with information on subjects that Client selects from broadcast sources, and Broadcast Content is provided “AS IS.” Company does not commit to provide specific stations. Further, restrictions may be imposed on the length of the clips, how long they remain available on the third-party servers, the number of times they may be played, or other similar functional characteristics. Included stations and restrictions are typically determined by the third-party providers based on such factors including but not limited to laws, regulations, and the availability of licenses, and restrictions may change during the Term. NOTWITHSTANDING THE FOREGOING, CERTAIN BROADCAST CONTENT OR FUNCTIONALITY MAY NOT BE AVAILABLE IF SUCH BROADCAST CONTENT OR FUNCTIONALITY IS OR BECOMES RESTRICTED BY THE CREATOR OR THIRD-PARTY PROVIDER OF SUCH BROADCAST CONTENT OR FUNCTIONALITY, OR BY LAW OR BY REGULATION.

3.3 Usage.

(A) Client can access the text (or portions of the text) and video clips containing the Client Queries within the Platform or Reports. Using the Platform functionality, Client may e-mail text and/or hyperlinks viewable within the Platform to Client’s employees, agents, contractors or customers (in the case of agencies who use the Platform on behalf of a customer) (“**Allowed Recipients**”) solely for use in relation to Client’s or Client’s customer’s (in case of agencies who use the Platform on behalf of a customer) internal business purpose.

(B) Unless otherwise authorized in this Agreement, neither Client nor Allowed Recipients may (a) resell any text or video clips supplied hereunder (including any portion thereof); or (b) distribute or transfer, by any means whatsoever, any text or video clips received via the Platform (or copies thereof), to any person, organization or institution other than Allowed Recipients. Client warrants that text or video clips provided to Client through the use of the Platform will not be resold, republished or otherwise systematically distributed to third parties in any form, including but not limited to via an intranet, extranet or internet site. Notwithstanding anything to the contrary in this Agreement, Client may, via the Platform, post, in electronic format, text, reports or the like, received via the Platform to an intranet site for access and use solely by Allowed Recipients.

(C) Client acknowledges and agrees that in providing the Monitoring Service and Content, Company is not responsible for the substance, text or subject of any such Content.

(D) Client acknowledges and agrees that the Content monitored by Company is subject to copyrights owned by third parties. Company does not imply, represent or warrant, by virtue of supplying information incorporating Content, that Company holds or grants any license to use any text, video clips or graphics provided, including news mentions or links to such mentions. Client’s use of any text, video clips or graphics provided hereunder, other than in accordance with the terms set forth herein, shall be at Client’s sole risk and expense. All items are protected by copyright owned by the copyright owner or licensor.

(E) Client's use of Content may be subject to restrictions imposed by one or more third-party copyright owners, and Client agrees that it shall comply with any such restrictions.

(F) Company does not represent or warrant that any specific source will be monitored by Company or represent that any amount of Content will be delivered through the Platform. Company reserves the right to change the sources that it monitors at any time. Certain sources may limit Client's ability to view content or access links through the Platform. Client agrees that it shall comply with any such restrictions.

(G) If Client provides users in the United Kingdom ("UK") with access to the Monitoring Service and receipt of Content from the Newspaper Licensing Agency ("NLA") or Copyright Licensing Agency ("CLA"), then Client shall:

(i) Obtain a license for any NLA or CLA Content accessed using the Platform directly from the NLA or CLA as applicable for such UK Users;

(ii) Unless licensed by the NLA or CLA, not further reproduce, copy, distribute, display, sell, publish, broadcast, circulate, deliver or transmit NLA or CLA Content either internally or to any third party (with the exception of licensed Public Relations Consultancies and/or Trade/Professional Associations) so as to infringe the intellectual property rights vested in the NLA or CLA, as applicable;

(iii) Not remove, conceal or alter any copyright notices contained on or within the NLA or CLA Content as accessed or delivered;

(iv) Not store NLA or CLA Content in electronic form as part of any library or archive of information other than within the Platform; and

(v) Provide a statement when requested by Company setting out the number of permitted Users within Client's organization in the UK.

(H) UNLESS OTHERWISE PROVIDED IN THIS AGREEMENT, DOWNLOADING, REPRODUCTION, REDISTRIBUTION, OR REPUBLICATION OF THE CONTENT AND COMPANY DATA IS SOLELY AT CLIENT'S OWN RISK. COMPANY AND ITS THIRD-PARTY PROVIDERS WILL NOT BE LIABLE FOR CLIENT'S SUBSEQUENT USE OR DISTRIBUTION OF THE CONTENT OR COMPANY DATA.

3.4 Additional Representations and Warranties.

(A) Print and Internet Monitoring. ALTHOUGH COMPANY WILL MAKE EVERY EFFORT TO PROVIDE A COMPLETE AND RELIABLE MONITORING SERVICE, IT CANNOT GIVE CREDIT FOR MISSED OR INCORRECT ARTICLES. COMPANY MAKES NO REPRESENTATION OR WARRANTY, WHETHER EXPRESS OR IMPLIED, REGARDING THE ORIGIN, ACCURACY, CORRECTNESS, COMPLETENESS, SUBJECT MATTER, CONTENT, OR EDITORIAL APPROACH OF ANY CONTENT, OR THE QUALITY OF SCANNED MATERIALS.

(B) Broadcast Monitoring. COMPANY CANNOT MAKE REPRESENTATIONS OR WARRANTIES WITH RESPECT TO THE ACCURACY OF BROADCAST CONTENT OR TELEVISION TEXT BECAUSE IT USES CLOSED-CAPTIONING OF PROGRAMS, WHICH IS NOT ALWAYS IDENTICAL TO THE LITERAL TRANSCRIPTION OF A BROADCAST. CLIENT ACKNOWLEDGES THAT CLOSED-CAPTIONING IS SUBJECT TO OCCASIONAL CAPTION ERRORS, MISSPELLINGS, AND GARBLING.

(C) Social Media Monitoring. SOCIAL MEDIA MONITORING SERVICES ARE PROVIDED TO CLIENT "AS-IS." COMPANY HEREBY EXPRESSLY DISCLAIMS ANY AND ALL WARRANTIES OF ANY KIND AND NATURE CONCERNING THE SOCIAL MEDIA MONITORING SERVICES, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR AGAINST INFRINGEMENT. SPECIFICALLY, COMPANY DOES NOT WARRANT THAT THE SOCIAL MEDIA MONITORING SERVICES WILL BE ERROR FREE, COMPLETELY SECURE, OR OPERATE WITHOUT INTERRUPTION.

4. HELP A REPORTER OUT SERVICE

4.1 HARO. This section sets forth the terms and conditions governing the provision and Client's use of Company's service linking information sources to reporters and bloggers currently known as HARO or HelpAReporterOut ("**HARO**").

4.2 Types of Memberships There are two types of memberships in HARO: Journalist Members and Source Members. The scope of Client's access to the site is dependent upon the member type. Journalist Members log onto the Journalist home page and post a query ("**HARO Query**") which is given an anonymous email address. Source Members receive email listings of HARO Queries submitted by Journalist Members. If a Source Member has relevant information which he or she believes, in good faith, can assist the Journalist Member with regard to the specific HARO Query, then the Source Member may provide that information in response. The Source Member may not respond if the information is not in specific response to the HARO Query and the Source Member may not utilize any information contained within the HARO Query for any other purpose. Source Members may forward HARO Queries to others, but Source Members shall not post HARO Queries on blogs, Web sites or any similar venue. Client shall not harvest Journalist Member email addresses for any reason.

4.3 Additional Disclaimers Company does not represent or warrant any information regarding the identity of any Journalist or Source Member with whom Client may interact in the course of using the HARO service. Additionally, Company does not verify the authenticity of any data which Journalist or Source Members provide about themselves or relationships such individuals may describe. Client shall not falsely state, impersonate, or otherwise misrepresent its identity, including but not limited to the use of a pseudonym in posting or responding to HARO Queries. Company is not liable for the deletion, corruption or failure to post, store and/or forward any messages or other content (and/or to do so in a timely manner), including without limitation HARO Queries maintained or transmitted by the Platform.

5. CISION IMPACT

5.1 Client may purchase Cision Impact Reports, which Company may provide either as a managed service or via the Platform. Cision Impact Reports measure the reach and impact of earned media, press releases, and other corporate communications, as directed by the Client and set forth in an Order Form.

(A) For the “Earned” variant of Cision Impact, Company will track an agreed upon number of URLs to be sourced via the Monitoring Service. Fees for the Earned variant of Cision Impact are calculated on the basis of a fixed rate and the number of URLs that Company tracks, as set forth in an Order Form. This fee is based on the Parties’ agreed estimate of Client’s usage. Company may conduct periodic actual usage audits to determine Client’s actual volume. If Client’s audited volume exceeds the tier applicable to its usage, Company will cease providing Content above such volume, and will endeavor to provide the most relevant Content within the contracted volume band. Any URLs or search terms provided by Client to enable Earned Impact are considered “Client Data”

(B) For the “Placed” variant of Cision Impact, Company will track Client’s press releases distributed via the Distribution Services. Fees for the Placed variant of Cision Impact services are calculated on the basis of a fixed rate and the number of Releases authored by Client and distributed via the Distribution Services. This fee is based on the Parties’ agreed estimate of Client’s usage. Company may conduct periodic actual usage audits to determine Client’s actual volume. If Client’s audited volume exceeds or is anticipated to exceed the tier applicable to its usage, Company will cease providing Content above such volume, and will endeavor to provide the most relevant Content within the contracted volume band unless the Parties agree to increase the Client’s applicable volume band.

5.2 In addition to the Earned and Placed variants of Cision Impact, Client may also order “Conversion” events, which are website metrics that enhance the results of either Earned or Placed Impact. To enable Client website(s) conversion events and visitation metrics in Cision Impact, Company may provide to Client JavaScript code, object code, or other code to implement within Client’s website properties (“**Distributed Code**”). Company grants Client, during the Service Term, a non-transferable, non-exclusive license to install, implement, and use the Distributed Code on Client sites. Client retains complete control over the installation and configuration of Distributed Code on each Client site and therefore Client, and not Company, is responsible for any and all loss or damages related to or resulting from the installation, implementation, or use of the Distributed Code. Following the termination or expiration of this Agreement or any Service Term for Cision Impact, Client must remove and delete all copies of the Distributed Code. The term “Platform” includes Distributed Code.

5.3 The term “Platform” includes DISTRIBUTED CODE 3 CISION IMPACT SERVICES, REPORTS FROM CISION IMPACT SERVICES, AND DISTRIBUTED CODE ARE PROVIDED “AS-IS” WITHOUT ANY REPRESENTATIONS OR WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR AGAINST INFRINGEMENT. SPECIFICALLY, COMPANY DOES NOT WARRANT THAT THE CISION IMPACT SERVICES, REPORTS FROM CISION IMPACT SERVICES, OR DISTRIBUTED CODE WILL BE ERROR FREE, COMPLETELY SECURE, OR OPERATE WITHOUT INTERRUPTION.

5.4 AUDIENCE SEGMENT SERVICES.

(A) “Audience Segment Services” means the Services by which Company creates a dataset comprised of aggregated and anonymized data of individuals who have liked, posted, shared, viewed or otherwise engaged with Client Data or Third-Party Content via the Cision Impact Services noted above. Each data point within the dataset is a unique, blind, non-identifiable, alphanumeric value known as a “CisionID.” A group of CisionIDs is called an “Audience.” Neither CisionIDs nor Audiences are personally identifiable.

(B) Client may license Audiences either on a subscription basis or on a one-time basis, as noted on an Order Form, with the number of CisionIDs within each Audience specified as well. If licensed on a subscription basis, Client will receive enrichments and enhancements to the contracted CisionIDs as they are made available. In either event, Company grants Client a limited, non-exclusive, revocable, non-transferable (other than as set forth in this Agreement), non-sublicensable right to use the CisionIDs for paid retargeting campaigns and management of audience targeting.

(C) CisionIDs and Audiences are “Company Data” as defined in the MSA, and all restrictions related to usage of Company Data and Content in the MSA apply to CisionIDs and Audiences as well. In addition, Client is prohibited from using CisionIDs or Audiences to identify, re-identify, or directly contact any individual, or attempting to do any of the aforementioned.

(D) Fees for the provision of Audiences of CisionIDs may be twofold. First, and in all cases, fees are calculated on the basis of a fixed rate and the number of CisionIDs provided, as set forth in an Order Form or SOW, which will be billed up-front (the “CisionID Fee”). Activation of each CisionID for paid retargeting will incur the additional fees (including but not limited to a CPM, paid media platform fee, and/or cost of media) noted on an Order Form or SOW (the “Activation Fees”). Every activation of each CisionID will incur Activation Fees, so if an individual CisionID, or group of CisionIDs within an Audience, is used for multiple campaigns, there will be multiple activations, and therefore multiple Activation Fees on a single CisionID or group of CisionIDs. These Activation Fees will be invoiced on this basis only after activation.

(E) If requested by Client, Company may assist Client with activation of CisionIDs for paid retargeting campaigns via Company’s third-party partner. If elected, this will be noted on Client’s Order Form and/or SOW. If Client requests, Company may also provide the Audience resulting from Audience Segment Services to Client via Client’s Data Management Platform (“DMP”) or Demand Side Platform (“DSP”). In such case, Client will (i) promptly identify and provide Company with contact information for Client’s DMP or DSP, and (ii) use the Audience Segment Services solely for Client’s internal business purposes and in accordance with applicable Privacy Laws. In addition to the restrictions set forth in Section 5.4(C) above, Client agrees that it will not, and will not permit any other party to: (1) use the Audience(s) for or on behalf of any third party; or (2) provide any third party, other than Client’s DMP or DSP, access to the Audience or information, materials or Documentation related to the Audience. Upon termination or expiration of this Agreement for any reason, Client will promptly delete the Audience and all data related to or derived from the Audience Segment Services, including that held by Client’s DMP or DSP. “Privacy Laws” mean all laws, self-regulatory principles and codes

of conduct governing the receipt, collection, compilation, use, storage, processing, sharing, safeguarding, security, disclosure or transfer of personal information, including those issued by the Network Advertising Initiative and the Digital Advertising Alliance.

(F) If requested by Client and noted on an Order Form and/or SOW, Company can also use the Audiences to perform professional services to measure the effectiveness of Client's earned media campaigns. Such services are performed at Client's direction using Audiences and/or using Client Data, all as set forth in an Order Form and/or SOW. Fees for professional services related to Audiences are noted on an Order Form and/or SOW. The end result of these professional services is the provision of either (i) raw data (provided as an Excel file or BI Table), (ii) a Report to Client by Company or a third party provider, as a PDF file or (iii) visualizations available as one or more, near real-time dashboards made available to Client via the Platform, with the particular delivery method as more particularly set forth in an Order Form and/or SOW.

6. IMAGEIQ™

6.1 As an enhancement to the Media Monitoring Services, Company may provide, if and as ordered, either physical Reports or dashboards available through the Platform, which measure the reach and impact of certain images (the "ImageIQ Services"). The ImageIQ Services are designed to enable Clients to collect, measure and analyze data related to the use and distribution of images across the internet. Images are either provided by Client or identified by Client to Company and retrieved by Company, and all such images are considered Client Data hereunder. Fees for ImageIQ Services, if any, are stated on an Order Form and based on the modules or capabilities enabled.

6.2 Company may need administrative access to Client's social media platform(s) in order to provide the ImageIQ Services, and Client agrees to provide such access, if required and requested by Company. Client remains responsible for compliance with the terms of use or terms of service for any and all social media platforms utilized in the provision of the ImageIQ Services.
