## SECTION 1: INTRODUCTION

### 1.1 UNTS System Description

The University of North Texas System (UNTS) is seeking proposals for On-site ASL (American Sign Language) for all business units of the UNTS (NIGP commodity code 961-17). UNTS is a University system that is composed of the University of North Texas in Denton (UNT), the University of North Texas Health Science Center (UNTHSC) in Fort Worth and the University of North Texas at Dallas (UNTDD). The UNT System Administration is based in downtown Dallas. The three independent universities of the UNT System have combined enrollment of just over 42,000 students across five major teaching locations, including each main campus as well as Frisco and downtown Dallas. Proposals submitted in response to this RFP shall be for goods and/or services provided to UNTS, UNT, UNTHSC and/or UNTDD, as agreed to in writing by the parties.

### 1.2 Background

The University of North Texas has seen a rapid increase in the population of Deaf and Hard of Hearing students that require the services of on-site American Sign Language (ASL) providers as part of their accommodations. The need for on-site ASL providers requires the Office of Disability Access (ODA) to outsource this accommodation to an agency to fill this need.

Deaf and Hard of Hearing students are registered for academic courses with a wide variety of dates, times, majors and classes that will require the use of on-site ASL providers in order to allow students access to lecture. These students also participate in curricular and extra-curricular activities such as advising appointments, student organizations, class field trips, presentations, university programs, and meetings with professors; all of which will require the use of an on-site ASL provider. The time line above will aid the ODA in scheduling on-site ASL providers for both the Spring and Summer 2019 semesters using one agency, which will ensure continuity of services for our Deaf/Hard of Hearing students

### 1.3 Group Purchase Authority

Texas law authorizes institutions of higher education to use the group purchasing procurement method (ref. Sections 51.9335, 73.115, and 74.008, Education Code). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer(s) under this Section. Should another institution exercise this option the resulting contract and obligations shall be between that institution and the vendor with UNTS incurring no obligation as a result thereof.

## SECTION 2: NOTICE TO PROPOSER

### 2.1 Submittal Deadline

UNTS will accept proposals submitted in response to this RFP until 2:00 p.m., local time, on August 12, 2020 (the "Submittal Deadline"). Due to the Covid-19 pandemic, submissions will only be accepted via FedEx or UPS. No hand deliveries will be accepted until further notice.

### 2.2 UNTS Contact Person

Proposers will direct all questions or concerns regarding this RFP to the following UNTS contact ("UNTS Contact"):

**James Doss, Senior Buyer**

The University specifically instructs all interested parties to restrict all contact and questions regarding this RFP to written communications forwarded to the UNTS Contact via the following link: <https://www.untsystem.edu/bid-inquiry>.

The UNTS Contact must receive all questions or concerns no later than 3:00 p.m., local time on August 3, 2020. It is UNTS' intent to respond to all appropriate questions and concerns; however, UNTS reserves the right to decline to respond to any question or concern.

Answers to questions will be posted via addendum to this RFP on UNTS Business Service Center Bid Opportunities web page located at: <https://www.untsystem.edu/hr-it-business->

[services/procurement/purchasing/bid-opportunities](#). Vendors are strongly advised to review this page at least four (4) business days prior to the due date for submissions or earlier to ensure that you have received all applicable addenda.

## 2.3 Criteria for Selection

The successful Proposer(s), if any, will be the Proposer(s) who submit a response to this RFP on or before the Submittal Deadline, and whose response is the best value UNTS, taking into consideration the evaluation criteria contained herein. UNTS reserves the right to make a single award from this solicitation or multiple awards, whatever is in the best interest of the University, with UNTS being the sole judge thereof.

Proposer is encouraged to propose terms and conditions offering the maximum benefit to UNTS as outlined below. Proposers should describe all educational, state and local government discounts, as well as any other applicable discounts that may be available to UNTS in a contract for the services.

An evaluation team from UNTS will evaluate proposals. The evaluation of proposals and the selection of Contractor will be based on the information provided by Proposer in its proposal. Proposers should address, within the response, each of the criteria listed in this section. Failure to respond to these criteria may result in your proposal receiving a negative rating or considered as non-responsive. Proposers should note that the awarded proposal may not be the lowest offer, but the offer(s) deemed most advantageous to UNTS as described in this section.

The criteria to be considered by UNTS in evaluating proposals and selecting awardee(s) will be the following factors:

- 2.3.1 The Contractor's financial proposal including, but not limited to discounts, services and other charges/fees;
- 2.3.2 The Contractor's relevant goods and services outlined in this RFP, as well as any special services the Contractor may provide;

#### 1.6 Proposer's Acceptance of Evaluation Methodology

By submitting a proposal, Proposer acknowledges (1) Proposer's acceptance of [a] the Proposal Evaluation Process (ref. **Section 1.5 of APPENDIX ONE**), [b] the Criteria for Selection (ref. **2.3** of this RFP), [c] the Specifications and, [d] the terms and all other requirements and specifications set forth in this RFP; and (2) Proposer's recognition that some subjective judgments must be made by UNTS during this RFP process.

**1.7 Solicitation for Proposal and Proposal Preparation Costs**

Proposer understands and agrees that (1) this RFP is a solicitation for proposals and UNTS has made no representation written or oral that one or more agreements with UNTS will be awarded under this RFP; (2) UNTS issues this RFP predicated on UNTS's anticipated requirements for the Services, and UNTS has made no representation, written or oral, that any particular scope of services will actually be required by UNTS; and (3) Proposer will bear, as its sole risk and responsibility, any cost that arises from Proposer's preparation of a proposal in response to this RFP.

**1.8 Proposal Requirements and General Instructions**

- 1.8.1 Proposer should carefully read the information contained herein and submit a complete proposal in response to all requirements and questions as directed.
- 1.8.2 Proposals and any other information submitted by Proposer in response to this RFP will become the property of UNTS.
- 1.8.3 UNTS will not provide compensation to Proposer for any expenses incurred by the Proposer for proposal preparation or for demonstrations or oral presentations that may be made by Proposer. Proposer submits its proposal at its own risk and expense.
- 1.8.4 Proposals that (i) are qualified with conditional clauses; (ii) alter, modify, or revise this RFP in any way; or (iii) contain irregularities of any kind, are subject to disqualification by UNTS, at UNTS's sole discretion.
- 1.8.5 Proposals should be prepared simply and economically, providing a straightforward, concise description of Proposer's ability to meet the requirements and specifications of this RFP. Emphasis should be on completeness, clarity of content, and responsiveness to the requirements and specifications of this RFP. Proposers are encouraged to completely address the evaluation criteria
- 1.8.6 UNTS makes no warranty or guarantee that an award will be made as a result of this RFP. UNTS reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFP or the Agreement when deemed to be in UNTS's best interest. UNTS reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to UNTS, at UNTS's sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.
- 1.8.7 Any proposal that fails to comply with the requirements contained in this RFP may be rejected by UNTS, in UNTS' sole discretion.
- 1.8.8 Should a vendor wish to protest or dispute determinations or awards made in connection with this RFP, it shall be done by submitting a Letter of Protest/Dispute to UNTS Senior Director for Procurement Services outlining the issue to be considered.

**1.9 Execution of Offer**

Proposer must complete, sign and return the attached Execution of Offer (ref. Appendix One, Section 2) as part of its proposal. The Execution of Offer must be signed by a representative of Proposer duly authorized to bind the Proposer to its proposal. Any proposal received without a completed and signed Execution of Offer may be rejected by UNTS, in its sole discretion.

**1.10 Pricing and Delivery Schedule**

The Proposer should describe in detail (a) the total fees for the entire scope of the Services; and (b) the method by which the fees are calculated. The fees must be inclusive of all associated costs for delivery, labor, insurance, taxes, overhead, and profit.

UNTS will not recognize or accept any charges or fees to perform the Services that are not specifically stated.

Proposer should describe each significant phase in the process of providing the Services to UNTS, and the time period within which Proposer proposes to be able to complete each such phase.

**1.11 Proposer's General Questionnaire**

Proposals must include responses to the questions in Section 3 of Appendix 1. Proposer should reference the item number and repeat the question in its response. In cases where a question does not apply or if unable to respond, Proposer should refer to the item number, repeat the question, and indicate N/A (Not Applicable) or N/R (No Response), as appropriate. Proposer should explain the reason when responding N/A or N/R.

**1.12 Addenda Checklist**

Proposer should acknowledge all addenda to this RFP (if any) by completing, signing and returning the Addenda Checklist (ref. Appendix One, Section 4) as part of its proposal. Any proposal received without a completed and signed Addenda Checklist may be rejected by UNTS, in its sole discretion.

### 1.13 Submittal

Proposer should submit all proposal materials enclosed in a sealed envelope, box, or container. The RFP No. (ref. Section 1.3 of this RFP) and the Submittal Deadline (ref. Section 2.1 of this RFP) should be clearly shown in the lower left-hand corner on the top surface of the container. In addition, the name and the return address of the Proposer should be clearly visible.

Proposer must also submit the number of originals of the HUB Subcontracting Plan (also called the HSP), if required, as directed by this RFP (ref. Section 2.5 of the RFP.)

**Note: If proposal requires the submittal of an HSP, the completed HSP documents and the proposal response documents must be in separate sealed envelopes. Both envelopes are to be placed in a master container, and such master container should be marked in the lower left-hand corner with the RFP number and name and Submittal Deadline, as stated above.**

Upon Proposer's request and at Proposer's expense, UNTS will return to a Proposer its proposal received after the Submittal Deadline if the proposal is properly identified. UNTS will not under any circumstances consider a proposal that is received after the Submittal Deadline or which is not accompanied by the number of completed and signed originals of the HSP that are required by this RFP.

UNTS will not accept proposals submitted by telephone, proposals submitted by facsimile ("fax") transmission, or proposals submitted by electronic transmission (i.e., e-mail) in response to this RFP.

Except as otherwise provided in this RFP, no proposal may be changed, amended, or modified after it has been submitted to UNTS. However, a proposal may be withdrawn and resubmitted at any time prior to the Submittal Deadline. No proposal may be withdrawn after the Submittal Deadline without UNTS's consent, which will be based on Proposer's submittal of a written explanation and documentation evidencing a reason acceptable to UNTS, in UNTS's sole discretion.

By signing the Execution of Offer (ref. Appendix One, Section 2) and submitting a proposal, Proposer certifies that any terms, conditions, or documents attached to or referenced in its proposal are applicable to this procurement only to the extent that they (a) do not conflict with the laws of the State of Texas or this RFP and (b) do not place any requirements on UNTS that are not set forth in this RFP or in the Appendices to this RFP. Proposer further certifies that the submission of a proposal is Proposer's good faith intent to enter into the Agreement with UNTS as specified herein and that such intent is not contingent upon UNTS' acceptance or execution of any terms, conditions, or other documents attached to or referenced in Proposer's proposal.

### 1.14 Page Size, Binders, and Dividers

Proposals must be typed on letter-size (8-1/2" x 11") paper, and must be submitted in a binder. Preprinted material should be referenced in the proposal and included as labeled attachments. Sections within a proposal should be divided by tabs for ease of reference.

### 1.15 Table of Contents

Proposals must include a Table of Contents with page number references. The Table of Contents must contain sufficient detail and be organized according to the same format as presented in this RFP, to allow easy reference to the sections of the proposal as well as to any separate attachments (which should be identified in the main Table of Contents). If a Proposer includes supplemental information or non-required attachments with its proposal, this material should be clearly identified in the Table of Contents and organized as a separate section of the proposal.

### 1.16 Pagination

All pages of the proposal should be numbered sequentially in Arabic numerals (1, 2, 3, etc.). Attachments should be numbered or referenced separately.

- 2.5 By signature hereon, Proposer hereby certifies that neither Proposer nor any firm, corporation, partnership or institution represented by Proposer, or anyone acting for such firm, corporation or institution, has violated the antitrust laws of the State of Texas, codified in Section 15.01, et seq., *Business and Commerce Code*, or the Federal antitrust laws, nor communicated directly or indirectly the proposal made to any competitor or any other person engaged in such line of business.

**RECITALS**

This Service Agreement is made and entered into by University and Contractor as of the Effective Date.

WHEREAS, University desires that Contractor provide the Services, and Contractor desires to provide the Services to and for the benefit of University;

THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, University and Contractor agree as follows:

**AGREEMENT**

1. Provision of Services. Contractor shall provide all necessary personnel, equipment, material, supplies, and facilities in the performance of the Services. Contractor shall perform the Services with that standard of professional care, skill, and diligence customarily and ordinarily provided in the performance of similar services.

2. Term. Unless otherwise terminated in accordance with the provisions set forth herein or by mutual written agreement of the parties, the initial term of this agreement shall begin on the Effective Date, and continue through the Completion Date, unless otherwise extended or terminated by the parties.

3. Termination. University may terminate this Agreement at any time upon \_\_\_\_\_ days prior notice. Either party has the right to terminate this Agreement if the other party is in default of any obligation hereunder. Contractor shall be entitled to compensation for services rendered through the effective date of termination.

4. Payment of Compensation. University shall pay the Compensation to Contractor in accordance with the payment terms set forth above, provided that, if no payment terms are specified payment shall be made in accordance with Chapter 2251 of the Texas Government Code. Contractor must be in good standing, not indebted to the State of Texas, and current on all taxes owed to the State of Texas for payment to occur. Invoices and any required supporting documents must be presented to:

University of North Texas System  
Business Service Center - Payment Services  
1112 Dallas Drive, Suite 4000

5. No Assignment or Delegation. This Agreement, and the rights and obligations set forth herein, are for personal services and may not be assigned or delegated by either party without the express written consent of the other party.

6. Property Rights. University shall, at all times, retain ownership in and the rights to any creative works, research data, reports, designs, recordings, graphical representations, or works of similar nature that may be produced in connection with this Agreement or the Services. Contractor agrees that such works are "works for hire" and assigns all of Contractor's right, title, and interest to University.

7. FERPA. If Contractor has access to students' educational records, Contractor shall limit its employees' access to the records to those persons for whom access is essential to the performance of the Services. Contractor shall, at all times and in all respects, comply with the terms of the Family Educational Rights and Privacy Act of 1974, as amended.

8. Public Information. University shall release information to the extent required by the Texas Public Information Act and other applicable law. If requested, Contractor shall make public information available to University in an electronic format.

9. Required Posting of Contracts on Website. Contractor acknowledges and agrees that University is required by Section 2261.253 of the Texas Government Code to post each contract it enters into for the purchase of goods or services from a private vendor on its Internet website, including any terms and conditions otherwise marked confidential and/or proprietary.

10. Relationship of Parties. Contractor shall, at all times, act as an independent contractor and not as a partner, employee, or agent of University. Contractor shall not act or hold himself out to third parties as a partner, employee, or agent of University in the provision of the Services. University shall not have or exercise such control over the manner in which the Services are provided as would jeopardize the status of Contractor as an independent contractor. University will not withhold federal or state income tax or Social Security tax on behalf of Contractor. In addition, Contractor shall have no claim under this Agreement or otherwise against University for vacation pay, sick leave, unemployment insurance, worker's compensation, retirement benefits, disability benefits, or employee benefits of any kind. Contractor shall have the exclusive responsibility for the payment of all such taxes and arrangements for insurance coverage and shall discharge such responsibility fully. In the event the Internal Revenue Service or any other governmental agency should question or challenge the independent contractor status of Contractor, the parties hereto mutually agree that both Contractor and University shall have the right to participate in any discussion or negotiation occurring with such agency or agencies, regardless of by whom such discussion or negotiation is initiated.

11. Non-Waiver. No failure by either party to insist upon the strict performance of any covenant, agreement, term, or condition of this Agreement, or to exercise a right or remedy shall constitute

a waiver. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, condition, agreement, and term of this Agreement shall continue in full force and effect with respect to any other existing or subsequent breach.

12. Indemnity. Contractor agrees to indemnify and hold harmless University and its regents, officers, agents, and employees, from and against any liability, losses, or damages it may suffer as a result of claims, demands, causes of action, costs, or judgments against it arising out of Contractor's arising out of any act or omission by Contractor in the provision of the Services.

13. Breach of Contract Claims Against University. University is required by law to provide notice that Chapter 2260 of the Texas Government Code establishes a dispute resolution process for contracts involving, goods, services, and certain types of projects. If Chapter 2260 applies to this Agreement, then the statutory dispute resolution process must be used by the Contractor to attempt to resolve all of its disputes arising under this Agreement.

14. Governing Law and Venue. This Agreement shall be construed and enforced under and in accordance with the laws of the State of Texas, and venue for any suit filed against University shall be subject to the mandatory venue statute set forth in § 105.151 of the Texas Education Code.

15. Incorporation and Entire Agreement. This Agreement incorporates the usual and customary University purchase order and the terms, conditions, and notices contained therein are included herein for all purposes. This Agreement, including any exhibits or addenda identified and incorporated by reference herein, and the corresponding University purchase order constitute the entire agreement between the parties and contain all the agreements between the parties with respect to Contractor and the provision of the Services. The parties expressly acknowledge that, in entering into and executing this Agreement, the parties rely solely upon the representations and agreements contained in this Agreement and no others.

IN WITNESS WHEREOF, the parties have executed this Agreement in multiple originals to be effective as of the date first written above.
