## Axon Enterprise, Inc.'s TASER 7 Agreement (Online)

This TASER 7 Agreement ("**Agreement**") applies to Agency's TASER 7 purchase from Axon Enterprise, Inc. ("**Axon**"). Agency will receive TASER 7 Conducted Energy Weapon ("**CEW**") hardware, accessories, warranty, and services documented in the attached Quote Appendix ("**Quote**").

- 1 **Term.** The start date is based on the initial shipment of TASER 7 hardware ("**Start Date**"). If shipped in the first half of the month, the Start Date is the 1st of the following month. If shipped in the last half of the month, the Start Date is the 15th of the following month. The TASER 7 term will end upon completion of the associated TASER 7 subscription in the Quote ("**Term**"). If the Quote has multiple TASER 7 ship dates, each shipment will have a 60-month term, starting on the shipment of TASER 7 as described above.
- 2 **Unlimited Duty Cartridge Plan.** If the Quote includes "**Unlimited Duty Cartridge Plan**", this section applies. Agency must purchase an Unlimited Duty Cartridge Plan for each CEW user. A CEW user includes officers that use a CEW in the line of duty and ones that only use a CEW for training. Agency may not resell cartridges received under any TASER 7 plan. Axon will only replace cartridges used in the line of duty.
- 3 **Training.** If the Quote includes a training voucher, Agency must use the voucher within 1 year of issuance, or the voucher will be void. During the Term, Axon will issue Agency a voucher annually beginning on the Start Date. The voucher has no cash value. Agency cannot exchange it for another product or service. If the Quote includes Axon Online Training or Virtual Reality Content (collectively, "**Training Content**"), Agency may access Training Content during the Term. Axon will deliver all Training Content electronically. Unless stated in the Quote, the voucher does not include travel expenses and will be Agency's responsibility.
- 4 **Payment.** Unless specified in the Quote, Axon will invoice Agency on the Start Date and then on the Start Date anniversary during the Term, if annual payments are elected. Payment is due net 30 days from the invoice. Payment obligations are non-cancelable. Agency will pay invoices without setoff, deduction, or withholding. Unless Agency provides Axon a valid and correct tax exemption certificate applicable to the purchase and ship-to location, Agency is responsible for all taxes associated with the order.
- 5 **Shipping.** Axon may make partial shipments and ship from multiple locations. All shipments are FOB shipping point via common carrier. Title and risk of loss pass to Agency upon Axon's delivery to the common carrier. Agency is responsible for any shipping charges in the Quote. If the Quote includes future deliveries of hardware, Axon will ship hardware to Agency's address on the Quote.
- 6 **Returns.** All sales are final. Axon does not allow refunds or exchanges, except warranty returns or as provided by state or federal law.
- 7 **Hardware Limited Warranty.** Axon warrants that Axon-manufactured hardware is free from defects in workmanship and materials for 1 year from the date of Agency's receipt. Axon warrants its Axon-manufactured accessories for 90-days from the date of Agency's receipt. Used CEW cartridges are deemed to have operated properly. Non-Axon manufactured Devices are not covered by Axon's warranty. Agency should contact the manufacturer for support of non-Axon manufactured hardware.

If Axon receives a valid warranty claim for Axon manufactured hardware during the warranty term, Axon's sole responsibility is to repair or replace the hardware with the same or like hardware, at Axon's option. Replacement hardware will be new or like new. Axon will warrant the replacement hardware for the longer of (a) the remaining warranty of the original hardware or (b) 90-days from the date of repair or replacement.

If the Quote includes an extended warranty, the extended warranty coverage begins on the Start

## Axon Enterprise, Inc.'s TASER 7 Agreement (Online)

Date and continues for the Term for the hardware covered by the extended warranty on the Quote.

If Agency exchanges hardware or a part, the replacement item becomes Agency's property, and the replaced item becomes Axon's property. Before delivering hardware for service, Agency must upload hardware data to Axon Evidence or download it and retain a copy. Axon is not responsible for any loss of software, data, or other information contained in storage media or any part of the hardware sent to Axon for service.

- 8** **Warranty Limitations.** Axon's warranty obligations exclude damage related to (a) failure to follow instructions on product's use; (b) products used with products not manufactured or recommended by Axon; (c) abuse, misuse, intentional, or deliberate damage to the product; (d) force majeure; (e) products repaired or modified by persons other than Axon without the written permission of Axon; or (f) products with a defaced or removed serial number.

**To the extent permitted by law, the warranties and remedies set forth above are exclusive and Axon disclaims all other warranties, remedies, and conditions, whether oral or written, statutory, or implied, as permitted by applicable law. If statutory or implied warranties cannot be lawfully disclaimed, then all such warranties are limited to the duration of the express warranty described above and limited by the other provisions contained in this Agreement. Axon's cumulative liability to any party for any loss or damage resulting from any claims, demands, or actions arising out of or relating to any Axon product will not exceed the purchase price paid to Axon for the product or if for services, the amount paid for such services over the prior 12 months preceding the claim. In no event will either party be liable for any direct, special, indirect, incidental, exemplary, punitive, or consequential damages, however caused, whether for breach of warranty, breach of contract, negligence, strict liability, tort or under any other legal theory.**

- 9** **Spare Products.** For qualified purchases, Axon may provide agency a predetermined number of spare TASER 7 hardware as detailed in the Quote ("**Spare Axon Devices**"). Spare Axon Devices are intended to replace broken or non-functioning units while Agency submits the broken or non-functioning units through Axon's warranty return process. Axon will repair or replace the unit with a replacement Axon Device. Title and risk of loss for all Spare Axon Devices shall pass to agency in accordance with the shipping terms under Section 5. Axon assumes no liability or obligation in the event Agency does not utilize Spare Axon Devices for the intended purpose.
- 10** **Trade-In.** If a trade-in discount is on the Quote, Agency must return used hardware and accessories associated with the discount ("**Trade-In Units**") to Axon. Agency must ship batteries via ground shipping. Axon will pay the shipping costs of the return. If Axon does not receive Trade-In Units within the timeframe below, Axon will invoice Agency the value of the trade-in discount. Agency may not destroy Trade-In Units and receive a trade-in discount.

Agency Size	Days to Return from Start Date
Less than 100 officers	30 days
100 to 499 officers	90 days
500+ officers	180 days

- 11** **Product Warnings.** See [www.axon.com/legal](http://www.axon.com/legal) for the most current Axon product warnings.
- 12** **Design Changes.** Axon may make changes in the design of any of Axon's products and services without notifying Agency or making the same change to products and services previously purchased. Axon may replace end of life products with the next generation of that product without notifying Agency.

# Axon Enterprise, Inc.'s TASER 7 Agreement (Online)

- 13 **Termination.** If payment for TASER 7 is more than 30 days past due, Axon may terminate Agency's TASER 7 plan by notifying Agency. Upon termination for any reason, then as of the date of termination:
  - 13.1. TASER 7 extended warranties and access to Training Content will terminate. No refunds will be given.
  - 13.2. Axon will invoice Agency the remaining MSRP for TASER 7 products received before termination. If terminating for non-appropriations, Axon will not invoice Agency if Agency returns the CEW, battery, holster, dock, core, training suits, and unused cartridges to Axon within 30 days of the date of termination.
  - 13.3. Agency will be responsible for payment of any missed payments due to the termination before being allowed to purchase any future TASER 7 plan.
- 14 **Delays.** Axon will use reasonable efforts to deliver products and services as soon as practicable. If delivery is interrupted due to causes beyond Axon's control, Axon may delay or terminate delivery with notice.
- 15 **Proprietary Information.** Agency agrees Axon has and claims various proprietary rights in the hardware, firmware, software, and the integration of ancillary materials, knowledge, and designs that constitute Axon products and services. Agency will not directly or indirectly cause any proprietary rights to be violated.
- 16 **Export Compliance.** Each party will comply with all import and export control laws and regulations.
- 17 **Assignment.** Agency may not assign or transfer this Agreement without Axon's prior written approval.
- 18 **Governing Law; Venue.** The laws of the state where Agency is physically located, without reference to conflict of law rules, govern this Agreement and any dispute that might arise between the parties. The United Nations Convention for the International Sale of Goods does not apply to this Agreement.
- 19 **Entire Agreement.** This Agreement, including the appendices, represents the entire agreement between the Parties. This Agreement supersedes all prior agreements or understandings, whether written or verbal, regarding the subject matter of this Agreement. This Agreement may only be modified or amended in a writing signed by the Parties. If a court of competent jurisdiction holds any portion of this Agreement invalid or unenforceable, the remaining portions of this Agreement will remain in effect.
