Terms and Conditions

1. License Grant. Subject to the terms of this Agreement, ProQuest LLC and its affiliates (“ProQuest”) hereby grant to Customer a non-exclusive, non-transferable license (the “License”) for Customer and its Authorized Users to access and use the products and services listed on Customer’s approved Order Form (the “Service”) solely at Customer’s principal location and those locations identified on the Order Form or a separate schedule (“Additional Sites”). Additional locations may be added as Additional Sites upon written notice to ProQuest and payment of additional fees, if applicable. Access and use of the Service is only for the internal, research purposes of Customer and/or its Authorized Users as further described in Exhibit A (Permitted Uses). Customer does not acquire any intellectual property ownership in the Service or any associated software, systems, documentation, content, other materials and/or improvements made thereto, including improvements based upon customer feedback. All such rights and interests remain in ProQuest and its licensors.
2. Authorized Users. Unless otherwise detailed on the Order Form, “Authorized User” means only: (a) For public libraries: library staff, individual residents of Customer’s reasonably defined geographic area served, and walk-in patrons while they are on-site; (b) For schools and other academic institutions: currently enrolled students, faculty, staff, and visiting scholars, as well as walk-in patrons while they are on-site; and (c) For other types of organizations: employees and independent contractors, while performing their work. Authorized Users excludes Customer’s corporate affiliates, academic bookstores, and alumni unless those users are expressly included and reflected on the Order Form or Additional Sites Schedule.
3. Secure/Remote Access. All access and use of the Service must be made via a secure network and secure authentication methods. Use of the Service by remote access is allowed unless otherwise stated on the Order Form. Customer will strictly limit any remote access to its Authorized Users through the use of secure methods of user verification. Customer will promptly notify ProQuest if Customer believes security has been compromised. Posting or sharing of passwords, or otherwise enabling access for the benefit of non-subscribing institutions or users, is strictly prohibited.
4. Updates to the Service. ProQuest will provide reasonable notice of any substantial modifications of information, databases, materials, capabilities, or services within the Service by email to Customer’s representatives who sign up to receive updates. These changes shall be subject to the terms and conditions of this Agreement, and shall not materially alter use of the Service in an adverse manner.
5. Supplemental Terms. Some content included in the Service has terms of use applicable solely to such content. Content-specific terms are clearly displayed with the associated content or embedded in the systems and technologies incorporated into the Service. Where third-party databases or content are subject to supplemental terms, such terms shall be clearly referenced on the Order Form. Such supplemental terms shall not materially alter use of the Service.
6. Variations in Content. The content provided as part of the Service is primarily owned and supplied to ProQuest under agreement with third party licensors, and is subject to the continuation and extent of the license granted under such agreements. ProQuest shall have the right, in its reasonable and good faith discretion, to remove or modify materials in the Service because (a) ProQuest’s right to distribute such materials lapses, (b) such materials contain errors or could be subject to an infringement or other adverse claim by a third party, or (c) particular content collections have changed due to editorial selection, coordination, or arrangement of materials.
7. Fees and Payments. Customer agrees to pay the fees for the Service shown on the Order Form within 30 days of receipt of ProQuest’s invoice unless otherwise specified on the Order Form. Fees are based in part on Customer’s population served, Authorized Users and Additional Sites at the time of the order or such other license parameters as may be listed on the Order Form. If any one or a combination of these elements materially increases (e.g., if the Customer acquires a new affiliate), a fee increase commensurate with such change may be required before access and use of the Service is provided to or for the benefit of the additional user population and/or Additional Sites. Firm U.S. Government orders require a valid purchase order and advance payment or payment in accordance with FAR 52.213.2.
8. U.S. Government Restricted Rights. Services include materials that are commercial technical data and/or computer databases and/or commercial computer software, as applicable, which were developed exclusively at private expense by ProQuest LLC, 789 E. Eisenhower Parkway, Ann Arbor, MI 48108. U.S. Government rights to use, modify, reproduce, release, perform, display, or disclose these technical data and/or computer databases and/or computer software are subject to the limited rights restrictions of DFARS SUBPART 252.227-7202-3 (December 2011) Rights in Computer Software and Computer Software Documentation and/or subject to the restrictions of DFARS 252.227-7019 (Sep 2011) Validation of Asserted Restrictions – Computer Software, as applicable for U.S. Department of Defense procurements and the limited rights restrictions of FAR 52.227-14 (December 2007) Rights in Data-General, FAR 52-227-20(c)(2-3) (December 2007) Rights in Data-SBIR Program and/or subject to the restricted rights provisions of FAR 52.227-15 (December 2007) Representation of Limited Rights Data and Restricted Computer Software and FAR 52.227-19 (Dec 2007) Commercial Computer Software-Restricted Rights, as applicable, and any applicable agency FAR Supplements, for non-Department of Defense Federal procurement.

9. Term. Customer's access to a particular Service shall continue for the period on the Order Form, plus any agreed renewal period(s). This Agreement shall continue in force for so long as Customer subscribes to at least one Service. Thereafter, the following survive: Sections 9–11 and 13-16, and any perpetual archive licenses ("PAL") (subject to all relevant use restrictions and security requirements).
10. Termination for Breach. If a party breaches a material term of this Agreement and does not cure within 30 days from written notice, the other party may immediately terminate this Agreement in whole or as to the affected Service. If this Agreement is terminated in whole or in part for Customer's breach, (a) ProQuest shall disable access to any terminated Service, (b) Customer shall destroy any files, information, data or software derived from any terminated Service in its possession or control, and certify destruction upon request, and (c) ProQuest reserves the right to pursue all available legal remedies.
11. Remedial Action. Without limiting the above, ProQuest may suspend delivery of the Service if it reasonably determines that Customer's or an Authorized User's failure to comply with this Agreement may cause irreparable harm to it or its licensors. If delivery is suspended, ProQuest will work in good faith to restore Customer's access as soon as possible after the failure to comply has been remedied in full.
12. Service Level. If the Service or content are hosted by ProQuest, ProQuest will use commercially reasonable efforts to provide access to the Service on a continuous 24/7 basis (except for regularly scheduled maintenance) and free from viruses or other harmful software. ProQuest shall not be liable for any failure or delay or interruption in the Service or failure of any equipment or telecommunications resulting from any cause beyond ProQuest's reasonable control. Customer is responsible for providing all required information for account set up and activation, and for its own telecommunications connections and related third-party charges.
13. Limited Warranty and Disclaimer of Warranty. ProQuest warrants that the Service will perform substantially as documented on ProQuest's public websites (the "ProQuest Websites"). EXCEPT AS EXPRESSLY WARRANTED HEREIN, THE SERVICE IS PROVIDED "AS IS" AND "AS AVAILABLE." PROQUEST AND ITS LICENSORS DISCLAIM ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, THOSE PERTAINING TO: MERCHANTABILITY, NON-INFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, AVAILABILITY, ACCURACY, TIMELINESS, CORRECTNESS, RELIABILITY, CURRENCY, OR COMPLETENESS OF THE SERVICE OR ANY INFORMATION OR RESULTS OBTAINED THROUGH THE SERVICE, EVEN IF ASSISTED BY PROQUEST. PROQUEST SPECIFICALLY DISCLAIMS ANY RESPONSIBILITY FOR DETERMINING THE COMPATIBILITY OF ANY HARDWARE OR SOFTWARE NOT SUPPLIED BY PROQUEST WITH THE SERVICE AND PROVIDES NO WARRANTY WITH RESPECT TO THE OPERATION OF SUCH HARDWARE OR SOFTWARE WITH THE SERVICE.
14. Limitation of Liability. THE MAXIMUM AGGREGATE LIABILITY OF PROQUEST AND ITS LICENSORS ARISING OUT OF OR RELATED TO THE SERVICE OR THIS AGREEMENT SHALL BE LIMITED TO THE TOTAL AMOUNT OF FEES RECEIVED BY PROQUEST FROM CUSTOMER FOR THE RELEVANT SERVICE IN THE 12 MONTHS IMMEDIATELY PRECEDING THE EVENTS GIVING RISE TO THE CLAIMS. IN NO EVENT SHALL PROQUEST OR ITS LICENSORS BE LIABLE TO CUSTOMER OR ITS AUTHORIZED USERS FOR (a) ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES; OR (b) ANY CLAIM RELATED TO CUSTOMER'S OR ITS AUTHORIZED USERS' USE OF COVER IMAGES OR USER-GENERATED CONTENT PROVIDED AS PART OF THE SERVICE; OR (c) UNAUTHORIZED USE OF THE SERVICE.
15. Place. ProQuest's principal place of business, where this contract is formed and all services will be deemed performed, is 789 E. Eisenhower Pkwy, Ann Arbor, MI 48108.
16. Entire Agreement. This Agreement consists of these Terms and Conditions, any applicable Order Form referencing these Terms and Conditions, and any Exhibits or Addenda attached hereto or referencing this Agreement (including the Exhibit A (Permitted Uses), and constitutes the entire agreement between the parties hereto with respect to its subject matter and supersedes all previous and contemporaneous agreements between the parties with respect to the same subject matter and may not be amended, except in a writing signed by the parties. The terms of Customer's purchase orders, if any, are for Customer's convenience and do not supersede or supplement any term or condition of this Agreement.

Exhibit A: Permitted Uses

1. Online Research Services. Services designed to facilitate online research may be used for Customer's internal research or educational purposes as outlined below provided that doing so does not violate an express provision of this Agreement:
 - a) Research and Analysis. Customer and its Authorized Users are permitted to display and use reasonable portions of information contained in the Service for educational or research purposes, including illustration, explanation, example, comment, criticism, teaching, or analysis.
 - b) Digital and Print Copies. Customer and its Authorized Users may download or create printouts of a reasonable portion of articles or other works represented in the Service (i) for its own internal or personal use as allowed under the doctrines of "fair use" and "fair dealing"; (ii) when required by law for use in legal proceedings or (iii) to furnish such information to a third party for the purpose of, or in anticipation of, regulatory approval or purpose provided that the recipient is advised that the copies are not for redistribution. All downloading, printing and/or electronic storage of materials retrieved through the Service must be retrieved directly from the on-line system for each and every print or digital copy.
 - c) Electronic Reserves, Coursepacks, and Intranet Use. Provided that Customer does not circumvent any features or functionality of the Service, Customer may include durable links to articles or other works (or portions thereof) contained in the Service in electronic reserves systems, online course packs and/or intranet sites so long as access to such materials are limited to Authorized Users.
 - d) Fair Use/Fair Dealing. Customer and its Authorized Users may use the materials contained within the Service consistent with the doctrines of "fair use" or "fair dealing" as defined under the laws of the United States or England, respectively.
 - e) Academic Institutions, Schools, and Public Libraries. If Customer is an academic institution, school, or public library:
 - i. Interlibrary Loan (ILL). Library Customer may loan digital or print copies of materials retrieved from the Service to other libraries, provided that (i) loans are not done in a manner or magnitude that would replace the receiving library's own subscription to the Service or purchase of the underlying work (e.g., newspaper, magazine, book), (ii) Customer complies with any special terms governing specific content or licensors as described in this Agreement, (iii) with respect to ebooks, copying is limited to small portions of a book, and (iv) Customer complies with all laws and regulations regarding ILL.
 - ii. Scholarly Sharing. Customer and its Authorized Users may provide to a third party colleague minimal, insubstantial amounts of materials retrieved from the Service for personal use or scholarly, educational research use in hard copy or electronically, provided that in no case is any such sharing done in a manner or magnitude as to act as a replacement for the recipient's or recipient educational institution's own subscription to either the Service or the purchase of the underlying work.
2. All Streaming Video and Audio Products. Audio and Video files are delivered to Customer and its Authorized Users via streaming service over the Internet. Customer and its Authorized Users shall not download or otherwise copy the streaming videos or audio contained in the Service. In the case of content that can potentially be publicly performed, Customer must secure permission from ProQuest's Licensor and/or the copyright holder for any public performance other than reasonable classroom and educational uses.
3. MARC Records. MARC records may be placed in Customer's online public access catalog (OPAC) or shared online catalog (e.g., WorldCat) unless otherwise specified on the Order Form with respect to a particular Service.
4. Scholar/Researcher Profiles. The data contained within scholar profiles are for use in facilitating research and collaboration amongst colleagues. Neither Customer nor its Authorized Users may export or otherwise exploit the scholar profiles for mass mailings or similar marketing purposes.
5. Electronic Resource Discovery, Access, and Management. For electronic resource discovery (e.g., Summon, 360 Link), access and/or management services, the Customer reserves all right, title and interest in all Customer specific data it contributes to the Service (which may include but is not limited to Customer created metadata, bibliographic information, holdings and circulation data) and grants ProQuest permission to use such data in raw form for the limited purpose of operating and improving the Service and such information may only be provided to third parties in aggregate form. Raw usage data containing information relating to the identity of specific users shall not be provided to any third party without Customer's permission. Provided that such access, use, and/or sharing does not violate an express provision of this Agreement, Customer and its Authorized Users are permitted to: (a) access the Service and information derived from the Service in order to discover, manage and provide access to library resources owned or licensed by Customer, (b) create, store and retain any reports and lists delivered by the Service, (c) share data about Customer's own library holdings that is retrieved from such Service with third party applications, so long as prior written notice is provided to ProQuest and all pricing information is kept confidential to the fullest extent permitted by applicable law; and (d) display metadata, bibliographic and holdings information in the library catalog available on Customer's library website.

6. Library Catalog Enrichment Service. For library catalog enrichment Services (e.g., Syndetics), Customer may use the enrichment elements for the sole purpose of augmenting Customer's own library OPAC or website. Customer may not convert Service metadata records into MARC format, nor distribute or display the enrichment elements in any third party applications, catalogs or websites.
7. Purchased Content. For perpetual archive licenses ("PAL") (as specified on the ProQuest Websites or Order Form), Customer pays a one-time fee for a perpetual license to the designated materials (the "Purchased Content"), and an annual "Continuing Service Fee."
 - a) Perpetual License. The License to Purchased Content and any updates Customer receives is perpetual, and may only be revoked if Customer materially breaches this Agreement, or if the licensed materials contain errors or could be subject to an infringement or other adverse claim by a third party.
 - b) Continuing Services. In consideration of the Continuing Service Fee, ProQuest will provide Customer and its Authorized Users with online access to the Purchased Content, plus any included updates, on a proprietary platform designed to enhance the research experience (a "ProQuest Platform"). ProQuest will maintain systems and technology that help Customer comply with use restrictions and security standards required by ProQuest's licensors.
 - c) File Delivery. If Customer loses the ability to access its Purchased Content online through ProQuest (e.g., if ProQuest discontinues online access services), or if the Purchased Content is otherwise eligible for local loading, Customer may obtain digital copies upon certifying that it will secure and restrict use of the Purchased Content as contemplated under this Agreement, using systems and technology at least as protective as ProQuest's. In the case of Audio, any local access must be restricted by DRM and be limited to one (1) simultaneous user (unless the Customer tracks the necessary playbacks and makes all royalty payments to copyright holders for mechanical and performance rights). All use of the materials delivered continue to be subject to this Agreement. File transfer costs, if any, are Customer's responsibility.
 - d) Locally Loaded Purchased Content - Data Mining. Subject to any content-specific restrictions, Customer and its Authorized Users may extract and compile data from locally-loaded copies of the Purchased Content solely for Customer's teaching, learning, and research purposes.
8. Acquisition Models. For certain Services, Customer may elect to have user activity trigger the purchase of content. Purchase preferences and Service eligibility for these models are described on the ProQuest Websites. Examples of these types of purchase models include Patron Driven Acquisition (PDA), Demand Driven Acquisition (DDA), Evidenced Based Acquisition, Access-To-Own (ATO), and Build By Choice.
9. Analytics. Some Services contain library collection analysis capabilities related to library holdings, or functionality that allows Authorized Users to create reports, lists, or alerts. Customer and Authorized Users may create, download, store and retain any such analytics or lists delivered by the Service. ProQuest may use library holdings and other information in the Service for comparison and metrics purposes and in order to better understand the customers' needs.
10. Restrictions. Except as expressly permitted above, Customer and its Authorized Users shall not:
 - a) Translate, reverse engineer, disassemble, decompile, discover, or modify ProQuest's software;
 - b) Remove any copyright and other proprietary notices placed upon the Service or any materials retrieved from the Service by ProQuest or its licensors;
 - c) Circumvent any use limitation or protection device contained in or placed upon the Service or any materials retrieved from the Service;
 - d) Perform penetration tests or use the Service to execute denial of service attacks;
 - e) Perform automated searches against ProQuest's systems (except for non-burdensome federated search services), including automated "bots," link checkers or other scripts;
 - f) Provide access to or use of the Services by or for the benefit of any unauthorized school, library, organization, or user;
 - g) Publish, broadcast, sell, use or provide access to the Service or any materials retrieved from the Service in any manner that will infringe the copyright or other proprietary rights of ProQuest or its licensors;
 - h) Use the Service to create products or perform services which compete or interfere with those of ProQuest or its licensors;
 - i) Text mine, data mine or harvest metadata from the Service;
 - j) Communicate or redistribute materials retrieved from the Service; or
 - k) Download all or parts of the Service in a systematic or regular manner or so as to create a collection of materials comprising all or a material subset of the Service, in any form.
 - l) Store any information on the Service that violates applicable law or the rights of any third party.

STANDARD ADDENDUM TO AGREEMENT

Contracts with the University of North Texas System (“UNTS”) and the University of North Texas at Dallas (“UNTD”) are subject to the following terms and conditions, which are incorporated for all purposes into the Agreement to which they are attached. Invoices and any required supporting documents must be presented to: University of North Texas – Business Service Center, 1112 Dallas Dr. Ste. 4000, Denton, TX 76205.

Eligibility to Receive Payment. Vendor certifies that under Section 231.006 of the Texas Family Code and under Section 2155.004 of the Texas Gov’t Code, it is not ineligible to receive the specified payment and acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate.

Breach of Contract Claims Against UNTD. Chapter 2260 of the Texas Gov’t Code establishes a dispute resolution process for contracts involving goods, services, and certain types of projects. To the extent that Chapter 2260, Texas Gov’t Code, is applicable to this Agreement and is not preempted by other applicable law, the dispute resolution process provided for in Chapter 2260 and the related rules adopted by the Texas Attorney General pursuant to Chapter 2260, shall be used by the parties to attempt to resolve any claim for breach of contract against UNTD that cannot be resolved in the ordinary course of business.

Governing Law and Venue. This Agreement shall be construed and enforced under and in accordance with the laws of the State of Texas. The Agreement is made and entered into, and is performable in whole or in part in Dallas County, Texas, and venue for any suit filed against UNTD shall be subject to the mandatory venue statute set forth in § 105.151 of the Texas Education Code.

No Excess Obligations. In the event this Agreement spans multiple fiscal years, UNTD’s continuing performance under this Agreement is contingent upon the appropriation of funds to fulfill the requirements of the contract by the Texas State Legislature. If the Legislature fails to appropriate or allot the necessary funds, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act, UNTD shall issue advance written notice to Vendor that UNTD may terminate the Agreement against payment of all amounts owed for the Services provided through the effective date of termination; provided that UNTD uses reasonable efforts to restore or arrange for new funding. Customer is not aware of any current impediment to receiving all sufficient funding for performance of this Agreement in full.

Travel Expenses. Reasonable travel, meals, and lodging expenses shall be charged in accordance with and shall not exceed State of Texas travel, meal, and lodging reimbursement guidelines applicable to employees of the State of Texas.

Delivery. Delivery shall be FOB Destination.

Insurance. UNTD, as an agency of the State of Texas, is insured for general liability insurance under a self-insurance program covering its limits of liability. The parties agree that such self-insurance by UNTD shall, without further requirement, satisfy all insurance obligations of UNTD under the Agreement.

Public Information. UNTD shall release information to the extent required by the Texas Public Information Act and other applicable law. If requested, Vendor shall make public information available to UNTD in an electronic format. The requirements of Subchapter J, Chapter 552, Texas Government Code, may apply to this contract and Vendor agrees that the contract can be terminated if Vendor knowingly or intentionally fails to comply with a requirement of that subchapter. Further, Vendor agrees (1) to preserve contracting information for the duration of the contract and according to UNTD records retention requirements; (2) to promptly provide contracting information to UNTD when requested; and (3) upon completion of the contract to provide, at no cost, all contracting information to UNTD or to preserve all contracting information according to UNTD’s records retention requirements.

Required Posting of Contracts on Website. Vendor acknowledges and agrees that UNTD is required by Texas Gov’t Code Section 2261.253 to post each contract it enters into for the purchase of goods or services from a private vendor on its internet website, including any terms and conditions otherwise marked confidential and/or proprietary.

Israel Non-Boycott Verification. If the Agreement is subject to Texas Gov’t Code section 2271.002, Vendor hereby represents, verifies, and warrants that it does not boycott Israel and will not boycott Israel during the term of the Agreement.

Limitations. UNTD is subject to constitutional and statutory limitations on its ability to enter into certain terms and conditions of the Agreement, which may include those terms and conditions relating to: liens on UNTD property; disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers, and limitations on legal rights, remedies, requirements, and processes; limitations of time in which to bring legal action; granting control of litigation or settlement to another party; liability for acts or omissions of third parties; payment of attorney’s fees; dispute resolution; and indemnities.
