Selecting the Login to LS tile on the Employee Self Service page will automatically launch the login page to LSPD.

Campus Solutions (LSPD) is used for student activity.

The screenshot shows the Employee Self Service dashboard with several tiles: Procurement, Approvals, Budget & Finance Reports, Concur, Asset Management Self Service, Cypress Reports, and Login to LS. The 'Login to LS' tile is circled in red. Below the dashboard, a browser window shows the login page for the Enterprise Information System (EIS). The login page includes a 'System Login' section with fields for EUID and Password, and a 'Sign In' button. To the right of the login section, there is a disclaimer about the system's ownership and usage. At the bottom of the page, there are three sections: 'Supported browsers', 'Scheduled maintenance', and 'Need assistance?'. The 'Supported browsers' section notes that the system supports most Web browsers and provides instructions for JavaScript, cookies, and PDF documents. The 'Scheduled maintenance' section lists maintenance times for Tuesday & Thursday (7:00 pm - 9:30 pm), Saturday (7:00 pm - midnight), and Sunday (midnight - noon). The 'Need assistance?' section provides contact information for campus help desks, including UNT (Denton), UNT Dallas, and UNT Health Science Center.
